

COUNTY COUNCIL OF BALTIMORE COUNTY, MARYLAND
Legislative Session 2009, Legislative Day No. 12
Resolution No. 44-09

Mr. Joseph Bartenfelder, Chairman
By Request of County Executive

By the County Council, July 6, 2009

A RESOLUTION to designate an industrial crossing of Peninsula Expressway (Maryland Route 157) where it is intersected by Severstal Sparrows Point, LLC's private roads, known as "Haul Road" and "Reservoir Road" in accordance with Section 8-626 of the Transportation Article of the Annotated Code of Maryland.

WHEREAS, Severstal Sparrows Point, LLC and Siemens A.G. have requested that the current intersection of Peninsula Expressway (Maryland Route 157) and Severstal Sparrows Point, LLC's private roads, known as "Haul Road" and "Reservoir Road" (hereinafter the "Intersection") be designated as an industrial crossing to permit the legal crossing of industrial traffic by Severstal Sparrows Point, LLC and its successors and assigns and any parent, subsidiary and affiliated entities and Siemens A.G. and its successors and assigns and any parent, subsidiary and affiliated entities including but not limited to Siemens VAI Services, LLC; and

WHEREAS, Severstal Sparrows Point, LLC and Siemens A.G. have paid or agreed to pay the costs required under Section 8-626(b)(2) of the Transportation Article of the Annotated Code of Maryland; and

WHEREAS, the Maryland State Highway Administration has advised and given its written approval that the Intersection be used as an industrial crossing by Severstal Sparrows Point, LLC, and Siemens A.G.; and

WHEREAS, the Department of Public Works has joined in the State Highway Administration's recommendation that the Intersection is a proper industrial crossing, and that such crossing will not endanger traffic on the highway; and

WHEREAS, in accordance with Section 8-626 of the Transportation Article of the Annotated Code of Maryland, the County Council of Baltimore County may, with the advice and approval of the Maryland State Highway Administration, designate an industrial crossing across any state highway located within Baltimore County, provided that the proposed industrial crossing will not endanger traffic on the state highway; now therefore

BE IT RESOLVED, that the County Council of Baltimore County, Maryland hereby designates the current intersection of Peninsula Expressway (Maryland Route 157) and Severstal Sparrows Point, LLC's private roads, known as "Haul Road" and "Reservoir Road" as an industrial crossing, in accordance with Section 8-626 of the Transportation Article of the Annotated Code of Maryland, in order to permit the legal crossing of industrial traffic at that Intersection by Severstal Sparrows Point, LLC, and its successors and assigns and any parent, subsidiary and affiliated entities and Siemens A.G. and its successors and assigns and any parent, subsidiary and affiliated entities including but not limited to Siemens VAI Services, LLC; and

BE IT FURTHER RESOLVED, that this Resolution shall take effect upon the date of its enactment.
