The companies listed above have reported to Baltimore County Department of Environmental Protection and Sustainability (EPS) that they are licensed with Maryland Department of Environment (MDE) to remove USTs. DEPS makes no claim as to its completeness or the quality of work performed. Please contact MDE, Oil Control Program at 410-537-3442 for a more complete list of contractors.

If you are a qualified contractor who wishes to be included on this list, please submit the request in writing along with proof of certification as a licensed UST remover in the State Maryland to EPS, Attn: Ground Water Management, 111 W. Chesapeake Ave., Room 319, Towson, MD 21204

\*\* MDE Certified to perform UST tightness testing.
