Prom Season 2019

Safe and Sober

Parent Guide & Pledge Book

Baltimore County Department of Health
Dear Parent/Guardian:

It is my pleasure to present Baltimore County’s 2019 Safe & Sober Prom Season Parent Guide & Pledge Book. The booklet contains information on underage drinking and drug use, young driver safety, the legal consequences of providing alcohol to minors, parenting tips, and ways parents can support the after-prom activities at their child’s school.

Thank you in advance for using this tool as a resource for your family during prom, graduation and for other occasions throughout the year. As we continue working together to protect our youth, we ultimately move closer to achieving our vision of making Baltimore County a place where healthy people live, work, and play.

Sincerely,

[Signature]

Gregory Wm. Branch, M.D., MBA, CPE, FACP
Director, Department of Health and Human Services
Health Officer
Know the Facts: Underage Drinking and Drug Use

- Underage drinking can lead to severe and tragic consequences including car crashes, injuries, rape, sexual assault, suicide, pregnancy, academic failure, alcohol poisoning, alcoholism, potentially irreversible brain damage and death.

- According to the National Highway Traffic Safety Administration (NHTSA), in 2016, approximately 7.3 million crashes were reported; approximately 44% resulted in an injury or fatality.

- Car crashes are the leading cause of death among young people aged 16 to 19 years of age.

- According to the 2017 National Survey on Drug Use and Health (NSDUH), approximately 42,135 people aged 16 or older drove under the influence of alcohol in 2016 and 2017 and 24,561 drove under the influence of illicit drugs.

- One-fourth of 16-20 year old drivers who die in crashes have high blood alcohol concentrations.

- When drinking is delayed until age 21, the risk of serious alcohol problems is decreased by 70%.

Marijuana

- According to SAMHSA data on treatment admissions: In the United States, marijuana abuse or dependence is the #1 reason youth are in treatment, more than alcohol and any other drugs.

- Research shows, that if smoked regularly during the teen years, marijuana can lower IQ.

- Brain development continues into the mid-20’s. Using drugs like alcohol and marijuana, can negatively affect normal brain development.
Prescription Drug Use by Teens—A Growing Problem

- According to NSDUH data on youth and young adults, in 2017, there were 182,645 youth ages 12 or older who reported that they misused prescription pain relievers in 2016 and 2017.

- Every day, 2500 young people use a prescription pain reliever to get high for the first time.

- Nearly half of teens who use prescription drugs say they get them from a relative or friend.

- Teens are 50% less likely to abuse prescription drugs when they learn the risks of drugs from their parents.

- Take inventory of your prescription and over-the-counter medicines; secure them in a safe place and dispose of unused, unwanted and expired medicine. Drug drop boxes are available outside all Baltimore County Police precincts. Dispose of unused or expired medications 24 hours a day, seven days a week.

**Drug Drop Box Locations**

- **Precinct 1 Wilkens:**
  901 Walker Avenue, 21228

- **Precinct 2 Woodlawn:**
  6424 Windsor Mill Road, 21207

- **Precinct 3 Franklin:**
  606 Nicodemus Road, 21136

- **Precinct 4 Pikesville:**
  215 Milford Mill Road, 21208

- **Precinct 6 Towson:**
  115 W. Susquehanna Avenue, 21204

- **Precinct 7 Cockeysville:**
  111 Wight Avenue, 21030

- **Precinct 8 Parkville:**
  8532 Old Harford Road, 21234

- **Precinct 9 White Marsh:**
  8220 Perry Hall Boulevard, 21236

- **Precinct 11 Essex:**
  216 North Marlyn Avenue, 21221

- **Precinct 12 Dundalk:**
  428 Westham Way, 21224
Know the Facts - Mental Health and Youth

- Approximately, 1 in 5 children ages 13-18 have, or will have a serious mental illness.
- 20% of youth ages 13-18 are currently living with a mental health condition.
- 50% of all lifetime cases of mental health begin by age 14 and 75% by age 24.
- The average delay between onset of symptoms and intervention is 8-10 years.
- Suicide is the third leading cause of death in youth ages 10-24.

Baltimore County High School Seniors Survey Results

The results of the Maryland Department of Health Youth Risk Behavior Survey (YRBS) indicate:

**Percent of Baltimore County 12th grade students that:**

<table>
<thead>
<tr>
<th>Activity</th>
<th>2014</th>
<th>2016</th>
</tr>
</thead>
<tbody>
<tr>
<td>had at least one drink of alcohol on one or more of the past 30 days</td>
<td>35.5</td>
<td>34.6</td>
</tr>
<tr>
<td>had five or more drinks of alcohol within a couple hours on one or more of</td>
<td>16.6</td>
<td>17.5</td>
</tr>
<tr>
<td>the past 30 days</td>
<td></td>
<td></td>
</tr>
<tr>
<td>of students who drove in the past 30 days, drove after drinking alcohol</td>
<td>5.6</td>
<td>6.9</td>
</tr>
<tr>
<td>1 or more times</td>
<td></td>
<td></td>
</tr>
<tr>
<td>of students rode one or more times during the past 30 days in a vehicle</td>
<td>18.3</td>
<td>17.5</td>
</tr>
<tr>
<td>driven by someone who had been drinking alcohol</td>
<td></td>
<td></td>
</tr>
<tr>
<td>texted or emailed while driving on one or more of the past 30 days</td>
<td>34.0</td>
<td>38.5</td>
</tr>
<tr>
<td>used tobacco products in the past 30 days</td>
<td>20.7</td>
<td>22.6</td>
</tr>
<tr>
<td>currently used electronic vapor products (e-cigarettes, e-pipes, vape</td>
<td>21.1</td>
<td>17.5</td>
</tr>
<tr>

<td></td>
<td></td>
</tr>
<tr>
<td>the 30 days before the survey</td>
<td></td>
<td></td>
</tr>
<tr>
<td>smoked marijuana in the past 30 days</td>
<td>25.4</td>
<td>28.5</td>
</tr>
<tr>
<td>took a prescription drug without a doctor's prescription one or more times</td>
<td>9.4</td>
<td>18.5</td>
</tr>
<tr>
<td>during their life</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Used heroin one or more times during their life</td>
<td>4.7</td>
<td>5.0</td>
</tr>
</tbody>
</table>

As with National surveys, county data shows most rates are decreasing, but there is still much work to do. Consider these statistics by the numbers:

For 2019, Baltimore County has roughly **7498** graduating seniors.

Past 30 day use would equate to approximately:

- 2594 YOUTH drinking,
- 2137 YOUTH smoking marijuana

Lifetime use would equate to approximately:

- 375 YOUTH trying heroin; that’s almost 13 full classrooms.
- 1387 YOUTH using prescription drugs for a non-medical use
Understand Laws Regarding Underage Drinking

Parents give their children mixed messages when they allow them to drink alcohol in their home with friends. Research shows teens who get mixed messages are more prone to drink and drive than those given a clear no-use message by parents. It is **illegal** for an adult to host an underage drinking party, buy or provide alcohol for persons under 21 years of age, even with their parents’ permission.

**Parents can protect themselves and their teens by following these guidelines when hosting parties for their children:**

- Plan alcohol-free activities in your home and make teens feel welcome. Make sure no one brings alcohol onto your property.
- Be home when your child has a party.
- Get to know the parents of your child’s friends. Invite them to chaperone.
- Avoid sending invitations via social media that can easily be shared with others.
- Provide plenty of food and nonalcoholic beverages and monitor the party without being conspicuous (e.g., replenish snacks, etc.).
- Limit guests to certain areas of your home. Let them know that if they leave the party, they cannot return.

**Parents are the most important influence on their teen when it comes to risky behaviors including substance abuse and driving.**

**Talk Early...Talk Often...Get Involved**

For support on how to start talking, visit:
http://www.samhsa.gov/underage-drinking/parent-resources
https://www.operationparent.org/key-issues/drugs-alcohol-other-high-risk-behaviors/

1. Provide consistent discipline, rules, and role modeling
2. Monitor youth activities and your alcohol supply
3. Practice listening and communication skills
4. Problem solve together
5. Work to strengthen relationships through mutual respect
Encourage Young Driver Safety

Did you know?
High school students are more likely to drink and smoke cigarettes and marijuana in the month immediately after getting their driver’s license. Improve your teen’s health and safety by discussing the dangers of alcohol, drugs and impaired or distracted driving. Set a good example behind the wheel and establish driving rules and consequences early.

According to the 2018 Maryland Young Driver Safety Program Area Brief:
Metropolitan areas have the highest concentration of crashes involving young drivers. From 2013 to 2017 in Maryland, on average, nearly 16% of all young driver-related crashes occurred in Baltimore County.
During the spring and summer, the number of young driver-involved crashes resulting in injuries increased beginning in May. Nearly 30% of all injury crashes involving a young driver occurred between April and June. Young driver-involved fatal crashes increased in the afternoon.
Fourteen percent more fatal crashes occurred after 6 p.m.
Young driver-involved crashes were more prevalent Friday through Saturday. Fatal crashes involving young drivers were most prevalent on Saturdays. Injury crashes and total crashes were most prevalent on Fridays, particularly for total crashes.

Rules of the Road:

- **Limit the number of teen passengers in your young driver’s car to one or zero.** The presence of teen passengers increases the crash risk of unsupervised teen drivers. This risk increases with the number of teen passengers.

- **Always wear your seat belt and agree that no one in your family drives impaired.** Research shows that seat belts reduce serious crash-related injuries and deaths by about half.

- **Discourage distractions and risky behaviors for your teen driver.** Distractions are a major cause of young driver crashes. Some examples of distracted driving are texting, cell phone use, eating and drinking, talking to others in the vehicle. Texting is the most common and dangerous distraction because it requires coordinated use of the eyes, hands and mind.

- **Educate your family about the law and its consequences.** In the State of Maryland, the handheld use of a cell phone by any driver is a primary offense. Additionally, it is illegal for drivers under 18 to use any wireless communication device (e.g. Bluetooth, iPod, cell phone, etc.) while driving, except to make an emergency 911 call. They may lose their driving privilege for up to 90 days for this offense.

For more information on young driver safety, visit [http://mva.maryland.gov/rookiedriver](http://mva.maryland.gov/rookiedriver)

Support Your Teen’s After-Prom Activity

Prom and graduation are exciting events that may increase high-risk behaviors by your teen.

Talk to your teen. Their choices affect their future.

For tips on how to prevent underage drinking, call 410-887-3828

Exciting events such as senior prom are often followed by “high-risk” behavior, including drinking, drug-use, sexual activity, and driving carelessly. Adolescents may see these behaviors as acceptable ways to make the evening more memorable.

After-prom events are designed to offer a safe, tobacco, drug and alcohol-free activity as an alternative to high-risk activities.

Assist your child with his/her after-prom plan:

- Encourage your child to attend the after-prom party planned by the PTSA or school’s After-Prom Committee and to stay at the party until it ends.
- Know how your child will get home from the party. (The limousine will take them to the prom and after-prom site, but will not wait until the party is over unless you’ve made those arrangements.)
- Encourage your child to take a change of clothes with them, so they can change at the party if they will be uncomfortable in their formal wear.

Support the event:

A successful after-prom event must include a variety of activities for students to encourage them to stay throughout the night. Planners must provide enough entertainment, food, incentives, music, games, etc. to accomplish this, which is costly. Contact your child’s school about the event if you haven’t yet received information from the PTSA or After-Prom Chairperson. Ask them how you can help support the activity.
Maryland Limousine Association
Limousine/Sedan Service Rental Tips

We have listed below, a few questions you should ask limousine companies BEFORE; you sign a contract or pay a deposit.

It is strongly suggested, that you talk directly with the company you want to get information from. Many times, the internet will provide false/misleading information (photos, pricing, locality...etc). DON’T place a reservation on-line with someone you have not talked with first. Take a moment to verify their authority to operate! DON’T Place a reservation blindly! (See below)

There are two different classifications of “For Hire” vehicles and the REQUIRED Licensing and Commercial Vehicle Insurance is different for each. In addition, the CHAUFFEUR/Driver is REQUIRED to have special driving license to operate ANY of these vehicles. Public Service Commission (PSC) is Maryland’s governing Authority.

1. Limousines/Sedan – These vehicles could be 1 to 14 passengers. Examples of these types of vehicle could be: Standard Lincoln Town Car Sedan, Standard SUV, 6, 8,10 or 12, 14 passenger stretch limousine, Van, 14 passenger or under shuttle or mini limo coach.
   A) ANY person operating any of the above vehicles are REQUIRED to hold in their possession, a PSC For Hire Driver’s License along with their MD Driver’s License. If the company is licensed to operate in Maryland, you can go to the PSC website at: http://webapp.psc.state.md.us/Intranet/Transport/GetCarrier_new.cfm or call 410-767-8000>>Transportation Division. In addition, ALL vehicles MUST display a yellow Authority sticker and a Red & White sticker on the lower portion of their front windshield. Also, the MD MVA tags should END with a “B”, “LM” or “P” (example 12345LM, 56789B, 123 21P) If any other tag is displayed, then the company DOES NOT HAVE MARYLAND AUTHORITY TO OPERATE the vehicle!

2. SUV Stretch, Limo Coaches, Buses – These vehicles are rated as 15 passenger or more. Examples of these vehicles could be stretch SUV’s, Stretch Hummers, Limo Coaches, Limo Bus, Limo Party Bus, Shuttle bus, Motor Coaches and Lim-Bus-ines.
   A) ANY person operating any of the above vehicles are REQUIRED to hold in their possession a CDL Driver’s License w/ Passenger Endorsement along with their MD Driver’s License.

   If the company is licensed to operate they are REQUIRED to hold FEDERAL USDOT Authority and DISPLAY their USDOT #'s on both sides of their vehicle. To check to see if this company is legal to operate, go to: http://safer.fmcsa.dot.gov/CompanySnapshot.aspx

Please refer to the information below based upon the type of vehicle you want to contract;

1. What is the size, color and what year is the limo?
2. What is the TOTAL cost for the rental of the limo? Does their TOTAL cost include gratuity (tip) for the chauffeur?
3. Is a contract written? And when are the deposit and the signed contract due back to the limousine company? Is the Deposit refundable or non-refundable?
4. Is the Chauffeur properly trained and properly licensed in the State of Maryland? Does the Chauffeur have a current PSC For hire license?
5. Is this company currently holding a VALID PSC certificate? If so, what is their courier number? (Every limousine and transportation company MUST be registered with the Public Service Commission.)
6. Is the company properly insured in the State Of Maryland?
7. Does the company have a policy of NO ALCOHOL, NO ILLEGAL DRUGS?
8. Do they participate in county or school sponsored Prom Promise program?
9. Can you view the car prior to Prom night?
10. When the vehicle arrives, ask to see the Chauffeur/Driver’s PSC For-Hire Driver’s License or their CDL Passenger Endorsement License.
11. Finally, look to see if they have the required PSC Stickers displayed on their windshield and or their USDOT numbers on each side of the vehicle. (Vehicles with a capacity of 15 or more passengers MUST DISPLAY these numbers.

Ask these questions of the limo company. If they avoid answering or cannot immediately answer these questions… then cross that company off your list and call the next limousine company! Don’t look for the cheapest deal. Look for a responsible company that is properly insured and licensed! After all……would you knowingly put a family member or loved one in a vehicle that you know nothing about?

9
Baltimore County Safe & Sober Transportation Company Pledge

Every year the Baltimore County Department of Health encourages limousine owners/operators to sign the “Safe and Sober Pledge.” Below is the text of the agreement, which the companies have signed, and pledge to follow.

The Baltimore County Safe and Sober Transportation Company Pledge is part of a voluntary program aimed at protecting the lives of young people during the prom and graduation season. Since this is a voluntary program, all companies who sign the Safe and Sober Transportation Pledge are encouraged to adhere to the spirit and guidelines of the program.

The Baltimore County Department of Health, Bureau of Behavioral Health, The Maryland Limousine Association and Baltimore County Public School partners are working together to ensure that the guidelines of this program are followed.

If a transportation company who has signed this pledge does not follow these guidelines, this oversight group has the authority to suspend or terminate the transportation company from the Safe and Sober Pledge program.

The following guidelines will be adhered to by this company and its operators for prom-related events:

- Tobacco and vape products will not be used or transported by minors in our vehicles.
- Alcohol will not be supplied or transported in our vehicles.
- Alcohol use will not be allowed in our vehicles.
- Illegal drug use or possession will not be permitted.
- Companies should monitor what passengers bring into vehicles.
- Vehicles should be checked each time passengers depart from the vehicle.
- Appropriate number of staff should be provided to properly monitor the passengers.

We have read the Baltimore County Safe and Sober Transportation Pledge and agree that our company and its operators will adhere to the spirit and guidelines of the program. We understand that if our transportation company violates any of the guidelines of the program that we may face suspension and possible termination from the Baltimore County Safe and Sober Transportation Pledge Program.
