

IN RE: PETITION FOR ADMIN. VARIANCE	*	BEFORE THE
E side Perry Road, 535 feet S of c/l Fitch Avenue		
14 th Election District	*	DEPUTY ZONING COMMISSIONER
6 th Councilmanic District		
(7819 Perry Road)	*	BALTIMORE COUNTY
Myron and Kum Hee Choi		
<i>Petitioners</i>	*	CASE NO. 08-004-A

* * * * *

FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before this Deputy Zoning Commissioner as a Petition for Administrative Variance filed by the legal owners of the subject property, Myron and Kum Hee Choi for property located at 7819 Perry Road. The variance request is from Section 1B02.3.A.1 of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit an addition with a 23 foot rear setback in lieu of the required 30 feet. The subject property and requested relief are more particularly described on Petitioners' Exhibit No. 1. The Petitioners propose to construct a sunroom in place of the existing deck. The deck will provide additional space for Mr. Choi who has health problems.

The Zoning Advisory Committee (ZAC) comments were received and are made part of the record of this case. The ZAC comments indicate no opposition or other recommendations concerning the requested relief.

The Petitioners having filed a Petition for Administrative Variance and the subject property having been posted on July 8, 2007 and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioners have filed the supporting affidavits as required by Section 32-3-303 of the Baltimore County Code. Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare

of the public and should therefore be granted. In the opinion of the Deputy Zoning Commissioner, the information, photographs, and affidavits submitted provide sufficient facts that comply with the requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioner.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED, by the Deputy Zoning Commissioner for Baltimore County, this 31st day of July, 2007 that a variance from Section 1B02.3.A.1 of the Baltimore County Zoning Regulations (B.C.Z.R.) to permit an addition with a 23 foot rear setback in lieu of the required 30 feet be and is hereby GRANTED, subject to the following:

1. The Petitioners may apply for their building permit and be granted same upon receipt of this Order; however, Petitioners are hereby made aware that proceeding at this time is at their own risk until such time as the 30 day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, the Petitioners would be required to return, and be responsible for returning, said property to its original condition.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.

SIGNED
THOMAS H. BOSTWICK
Deputy Zoning Commissioner
for Baltimore County
