FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before this Office of Administrative Hearings for Baltimore County as a Petition for Administrative Variance filed by the legal owners of the subject property, John D. and Ruth A. Honeycutt for property located at 1208 Bluemont Road. The variance request is from Section 400.3 of the Baltimore County Zoning Regulations (“B.C.Z.R.”) to permit an accessory structure (detached carport) with a height of 20 feet in lieu of the permitted 15 feet. The subject property and requested relief are more particularly described on Petitioners’ Exhibit No. 1. Petitioners desire to construct a carport measuring 22 feet x 24 feet x 20 feet high to protect their motor home from the elements. The carport sidewalls are 12 feet high and the roof trusses are 6.5 feet high from the bottom cord to the apex. No dwelling is located within 200 feet on either side of the of the property. The property contains 3.129 acres zoned RC 5.

The Zoning Advisory Committee (ZAC) comments were received and are made part of the record of this case. Comments were received from the Office of Planning dated January 4, 2011, which recommends that the accessory structure not be converted into a dwelling unit or apartment, not contain any sleeping quarters, living area, kitchen or bathroom facilities, and not be used for commercial purposes.

The Petitioner having filed a Petition for Administrative Variance and the subject property having been posted on January 4, 2011 and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioners have filed the supporting affidavits as required by Section 32-3-303 of the Baltimore County Code. Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should therefore be granted. In the opinion of the Administrative Law Judge, the information, photographs, and affidavits submitted provide sufficient facts that comply with the requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioner.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED, by the Administrative Law Judge for Baltimore County, this 19th day of January, 2011 that a variance from Section 400.3 of the Baltimore County Zoning Regulations (“B.C.Z.R.”) to permit an accessory structure (detached carport) with a height of 20 feet in lieu of the permitted 15 feet is hereby GRANTED, subject to the following:

1. The Petitioners may apply for their building permit and be granted same upon receipt of this Order; however, Petitioners are hereby made aware that proceeding at this time is at their own risk until such time as the 30 day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, the Petitioners would be required to return, and be responsible for returning, said property to its original condition.
2. The Petitioners or subsequent owners shall not convert the subject accessory structure into a dwelling unit or apartment. The structure shall not contain any sleeping quarters, living area, kitchen or bathroom facilities.
3. The accessory structure shall not be used for commercial purposes.

4. The carport shall remain open on the three exposed sides and shall not be enclosed at any time.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.
