OPINION AND ORDER

This matter comes before the Office of Administrative Hearings for Baltimore County as a Petition for Administrative Variance filed by the legal owner of the subject property, Rohini Ralby. The variance request is from Sections 427.1.B.1 and B.2 of the Baltimore County Zoning Regulations (“B.C.Z.R.”), to permit a 6 ft. high residential fence to be erected in the rear yard of a lot which adjoins the front yard of another existing dwelling. The subject property and requested relief are more particularly described on Petitioner’s Exhibit No. 1.

The Zoning Advisory Committee (ZAC) comments were received and are made part of the record of this case. There were no adverse ZAC comments received from any of the County reviewing agencies.

The Petitioner having filed a Petition for Administrative Variance and the subject property having been posted on May 24, 2014, and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioner has filed the supporting affidavits as required by Section 32-3-303 of the Baltimore County Code. Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should therefore be granted. In the opinion of the Administrative Law Judge, the information, photographs, and affidavits submitted provide sufficient facts that comply with the

requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioner.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED, by the Administrative Law Judge for Baltimore County, this 13th day of June, 2014, that a Variance from Sections 427.1.B.1 and B.2 of the Baltimore County Zoning Regulations (“B.C.Z.R.”), to permit a 6 ft. high residential fence to be erected in the rear yard of a lot which adjoins the front yard of another existing dwelling, be and is hereby GRANTED, subject to the following:

The relief granted herein shall be subject to the following:

1. Petitioner may apply for his appropriate permits and be granted same upon receipt of this Order; however, Petitioner is hereby made aware that proceeding at this time is at his own risk until such time as the 30-day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, Petitioner would be required to return, and be responsible for returning, said property to its original condition.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.

Signed
JOHN E. BEVERUNGEN
