OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (OAH) for Baltimore County for consideration of a Petition for Administrative Variance filed by the legal owners of the property, Philip S. and Diane L. Weglein (“Petitioners”). The Petitioners are requesting Variance relief pursuant to § 400.3 of the Baltimore County Zoning Regulations, to permit a proposed detached accessory structure (garage) with a height of 28 ft. in lieu of the maximum allowed 15 ft.; and (2) To amend the Final Development Plan (FDP) of Blenheim Farm, Lot No. 1 only. The subject property and requested relief is more fully depicted on the site plan that was marked and accepted into evidence as Petitioners’ Exhibit 1.

The Zoning Advisory Committee (ZAC) comments were received and are made part of the record of this case. There were no ZAC comments received from any of the County reviewing agencies.

It is to be noted that a formal demand for hearing was requested on July 11, 2016 from Karl Kokinakis, President, and Brian Nelson, Vice President, of the Blenheim Farm Homeowner’s Association (HOA). Thereafter, a public hearing was scheduled for September 9, 2016. However, on September 7, 2016 (via fax) correspondence was received formally requesting to withdraw the HOA’s formal demand, requesting cancellation of scheduled public

hearing, and to allow the Petitioners to move forward with their project without delay.

The Petitioners having filed a Petition for Administrative Variance and the subject property having been posted originally on June 26, 2016 and again on August 19, 2016 (for public hearing), a decision shall be rendered based upon the documentation presented.

The Petitioners have filed the supporting affidavits as required by § 32-3-303 of the Baltimore County Code (B.C.C.). Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should therefore be granted. In the opinion of the Administrative Law Judge, the information, photographs, and affidavits submitted provide sufficient facts that comply with the requirements of § 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioners.

Although the Department of Planning did not make any recommendations related to the proposed garage's height and usage, I will impose conditions that the garage shall not be converted into a dwelling unit or apartment, not contain any sleeping quarters, living area, and kitchen or bathroom facilities.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED, this **9th** day of **September, 2016**, by the Administrative Law Judge for Baltimore County, that the Petition for Variance seeking relief from § 400.3 of the Baltimore County Zoning Regulations, to permit a proposed detached accessory structure (garage) with a height of 28 ft. in lieu of the maximum allowed 15 ft.; and (2) To amend the

Final Development Plan (FDP) of Blenheim Farm Lot #1 only, be and is hereby GRANTED.

The relief granted herein shall be subject to the following:

1. Petitioners may apply for necessary permits and/or licenses upon receipt of this Order. However, Petitioners are hereby made aware that proceeding at this time is at their own risk until 30 days from the date hereof, during which time an appeal can be filed by any party. If for whatever reason this Order is reversed, Petitioners would be required to return the subject property to its original condition.
2. Petitioners or subsequent owners shall not convert the garage into a dwelling unit or apartment. The garage shall not contain any sleeping quarters, living area, and kitchen or bathroom facilities.
3. The garage shall not be used for commercial purposes.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.

Signed
JOHN E. BEVERUNGEN
Administrative Law Judge for
Baltimore County
