TYPE OF TOWING LICENSE (check one):

Police-Initiated Towing _____ **Trespass Towing** _____

LICENSE YEAR: January 1 to December 31, _____

Every person engaged in towing vehicles shall, at the time of application for a license, file with the Department of Permits and Development Management (PDM) a PROPOSED FEE SCHEDULE indicating maximum fees that will be charged for towing and storage of light duty vehicles (GVW of 10,000 pounds or less). Attach a detailed statement of the reason for each fee.

PDM, upon receiving any such proposed fee schedule, shall have the authority to reject it when charges proposed are, in its opinion, excessive for the service performed. In such cases, the Department shall return the proposed schedule to the person engaged in the towing business, with suitable notification of its reasons for rejecting it.

Once fees have been approved by PDM, they shall not be changed without filing an amended fee schedule showing proposed changes.
