II. MALPF EASEMENT LANDOWNER REQUESTS/ISSUES
   A. Harrison (MALPF #3-96-17E)- 3018 Black Rock Road, 175.97 +/- acres.

   Request: Request and recommendation of the restrictive covenant agreement entered into April 12, 2018 by Willowdale Farm Associates, Farmacy Cultivated Craft, LLC and The Valleys Planning Council, Inc.

   Background: Justin Harrison on behalf of Farmacy Brewery is requesting approval of the restrictive covenants on the MALPF easement. MALPF approved the request for the brewery on March 19, 2016 subject to several conditions. The County approved the Special Exception Request on April 16, 2018. Farmacy entered into negotiations with the neighboring community association, the Valleys Planning Council, regarding their concerns for the brewery. The outcome of those negotiations was an agreement by Farmacy to place restrictive covenants over the MALPF easement that restricted the brewery use.

   The restrictions include:
   - Capacity of Brewery limited to 50 guests
   - Hours of Operations: tasting and sampling limited to Fridays and Saturdays 12 pm to 8 pm and on Sundays 12 pm to 6 pm. Reservations, walk-ins are addressed. Sale/pick up is permitted Monday through Sunday.
   - Weddings-none
   - Catered events only for private events of family
   - Events: promotional as permitted by Class 8 license (and subject to other limitations of covenants)
   - Outdoor Music: no live or amplified music outside the building
   - Expansion: shall be limited to the existing barn building and surrounding grounds
   - Others: signage, water use, cleaning, licensing, duration of covenant

   DISCUSSION: Wally Lippincott gave an overview of the request. There was some concern expressed by Board members that the restrictions could impact the viability of the brewery.
Motion: The Board recommends approval recommendation of the restrictive covenant agreement entered into April 12, 2019 by Willowdale Farm Associates, Farmacy Cultivated Craft, LLC and The Valleys Planning Council, Inc.

Motion by: John Merryman  Second by: Scott Welsh

DISCUSSION: The Board has two vacancies to fill. A list of potential board members was distributed. The list included names of people who had been suggested primarily by Board members and staff. The need for diversity of members and geography was discussed. Gail Ensor volunteered to talk with one of the people suggested on the list.
