Ms. Wolfson inquired if the reforestation has to occur on the site being developed or within the same councilmatic district. Ms. Nugent and Regina Esslinger, Department of Environmental Protection and Sustainability, indicated that the reforestation would have to occur elsewhere within Baltimore County’s critical area unless for specific justification. There is also a fee in lieu option available.
Mr. Perlow asked if there are any forested areas which could be bought by the County. Ms. Esslinger indicated that there are a small number of forested banks now available within the critical area and that the County actively pursues viable property to serve as forest banks.
