recycle@baltimorecountymd.gov

Crack the secret code below to learn how you can better use our resources. Share these "secrets" with your parents and friends!

E R P S Y R

the trash you make in the first place.

E R S U R

things like egg cartons, paper towel rolls and shoe boxes for art projects. Give away old clothes and toys.

E R Y C Y Z R

everything you can!

Did you know?

The average American uses one 100-foot-tall Douglas fir tree in paper and wood products per year.
(American Forest and Paper Association)

Code Key:

E = R C = Y P = D R = E
S = U U = S Y = C Z = L

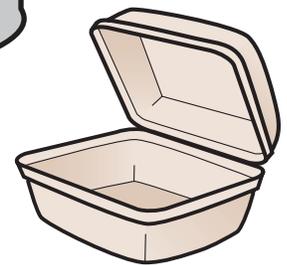

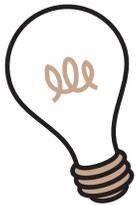

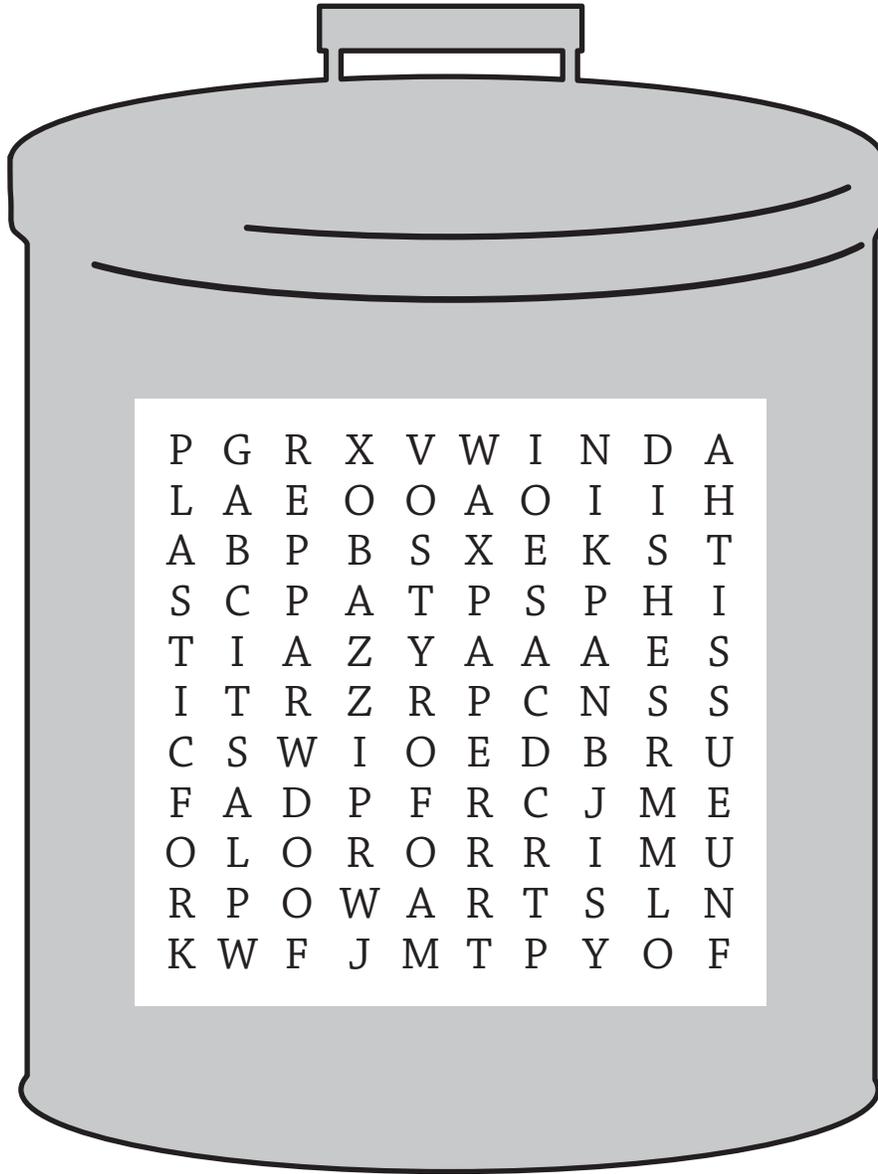

L N E W S P A P E R
 N A C S O U P C A N
 I C E X A Z B E M D
 T A R H P G P K A R
 E D E U B I R T G A
 N O A N O D A U A O
 I S L F T S J N Z B
 D A B S T K X A I D
 R V O M L O G C N R
 A J X I E J L A E A
 S B M C A R D N W C

Mixed paper, plastic bottles, aluminum or steel cans, and other recyclables go in an open-top bin for recycling. Find the items below:

newspaper
 soap bottle
 soda can
 cereal box

milk jug
 soup can
 jar
 tuna can

cardboard
 magazine
 card
 sardine tin

Find the items that *cannot* be recycled
in Baltimore County's recycling program:

CD case

dishes

food wrapper

mirror

napkin

plastic bag

plastic fork

straw

styrofoam

tissue

pizza box*

wax paper

*if covered by food

Recyclables are remade into useful new products. Draw an arrow connecting the item collected for recycling to the examples of new products into which they can be made.

Yard materials

Computer print-out

Comic book

Glass applesauce jar

Plastic soda bottle

Soup can

Aluminum soda can

New aluminum cans

Bathroom tissue, birthday card

Carpet, sleeping bag stuffing, plastic "lumber"

Roller skates, toolbox, bridge

Cereal box, folder

Countertops

"Compost" to help flowers grow

Find your way through the maze below to place the bottle, can, and paper into the recycling bin!
