WORK CLASSIFICATION: O-1 with Pre-Qualified F-2, G-1, G-3, & K-6 Subcontractors**

**BID DATE: Thursday, August 11, 2016 at 10:30 A.M. EST**

On or after **Monday, June 20, 2016** the above contract documents (**See Note \***) may be inspected and purchased from the Division of Construction Contracts Administration, Department of Public Works, Room 300B, County Office Building (COB), 111 W. Chesapeake Avenue, Towson, MD 21204, upon receipt of payment of **\$60.00 (SIXTY DOLLARS)** per contract. All checks should be made payable to **BALTIMORE COUNTY MD. NO REFUNDS** will be made to anyone. **Direct any questions to 410-887-3531.** *Bidders obtaining documents from another source other than Baltimore County WILL NOT be allowed to submit proposals to Baltimore County.*

**\*Note: Contract Documents will consist of One (1) Paper Copy Proposal Book and One (1) Compact Disk (CD) with all of the required drawings. The CD will be in PDF format. Contractors and Sub-Contractors can purchase paper copies of the drawings from Baltimore County in Room 206 of the County Office Building, located on 2nd Floor for \$4.50 per sheet.**

**The proposed work consists of:**

All work necessary to construct three wire-wound prestressed concrete water storage reservoirs on the site with the associated work. Construction of three wire-wound prestressed concrete, water storage tanks each 300 feet in diameter, with a depth to overflow of 41 feet and with internal baffle walls in a reverse “C” configuration. Approximately 2,675 feet of 42” to 84” diameter prestressed concrete pipe. Buried concrete vaults and manholes for 24” to 84” pipe for portable water, tank drains, overflows, valves, meters and other appurtenances. Two connections to existing 84” pipes at existing valve vaults. Bore and jack installation of a casing installation under an existing 108 inch raw water main. Power supply connection to the existing power substation at the Fullerton Pump Station, Transformers, switchgear, duct banks and power wiring to extend power service to the Control and Disinfection Building. Electrical wiring and service equipment in the Control and Disinfection Building. Site piping for domestic water supply with pressure tap to the existing 30” second zone discharge main at the Fullerton Pump Station. Grinder pump and pressure sewer pipeline with connection to the existing Fullerton Pump Station pressure sewer and installation of a new service connection assembly and vault. A corrosion control system with wiring, anodes, and test stations. Earthwork along with all site work needed to complete the project.

**A pre-bid meeting will be held on Wednesday, July 6, 2016 at 1:00 p.m. EST in Room 300B of the County Office Building. Located at 111 West Chesapeake Avenue, Towson, Maryland 21204. A site visit will be held at 9:30 a.m. to 11:00 a.m. EST on Wednesday, July 6, 2016 at the site located at 7810 Perry Hall Boulevard, Perry Hall, Maryland 21237.**

THE PROJECT IS SUBJECT TO A MINORITY BUSINESS ENTERPRISE UTILIZATION GOAL AND FEMALE CONTRACTORS UTILIZATION GOALS. THESE GOAL REQUIREMENTS ARE MORE FULLY EXPLAINED IN THE SPECIFICATIONS. THE MBE/WBE FORMS IN THE PROPOSAL BOOKLET MUST BE COMPLETED AND SUBMITTED AT THE TIME OF BID OPENING.

**Sealed proposals (the entire book)** addressed to Baltimore County, Maryland for this contract **will be received** in the **Baltimore County Purchasing Division, Room 148, Old Courthouse, 400 Washington Avenue, Towson, MD 21204**, until the time specified on the contract at which time they will be publicly opened and read.

**ONLY CONTRACTORS WHO HAVE BEEN PREQUALIFIED BY BALTIMORE COUNTY AT LEAST TEN (10) DAYS PRIOR TO THE OPENING OF BIDS WILL BE ALLOWED TO SUBMIT PROPOSALS.**

**Alternative Sources of Contract Bonds:** In the event your company is unable to qualify for bonding through a traditional commercial surety company, you may qualify for the required bonds through the State of Maryland, Department of Commerce (DOC). Visit their website at [www.nmmggroup.com](http://www.nmmggroup.com) for information, applications and a checklist of required documents and reports that must accompany the application.

The Purchasing Agent reserves the right to reject any or all proposals or bids or parts of bids and to waive technicalities as may be deemed best for the interest of the County.
