Re: Overload Permit – Bridge #930 on Shawnee Road over Paste Branch, ADC 17,A,2
Bridge #652 on Shawnee Rd over Green Branch, ADC 22,J,2
Bridge #757 on Tuffy Avenue over Milk Man Run, ADC 47,D,2
Bridge #850 on Worth Avenue over Council Run, ADC 56,K,5

Dear Mr. Smith:

Permission is granted for all your milk trucks as listed below to cross bridges #930 and #652 on Shawnee Road, bridge #757 on Tuffy Avenue and bridge #850 on Worth Ave.

Unit #82 1997 Peterbuilt: GVW 16.50 tons, Two Axles 11,000 & 22,000 lbs, wheelbase: 188"
Unit #83 1998 GMC: GVW 16.50 tons, Two Axles 11,000 & 22,000 lbs, wheelbase: 188"
Unit #32 1996 Ford: GVW 16.50 tons, Two Axles 10,000 & 23,000 lbs, wheelbase: 246"

This permit is authorization to cross these bridges only, and does not allow any variation to Maryland Vehicle Laws or Truck Enforcement Regulations. It is valid for one year from the date of this letter and shall be carried in each truck when crossing the bridges. For future permits, please continue to submit all axle loads and spacing to properly rate your vehicles.

Very truly yours,

Steven A. Walsh, Chief
Bureau of Engineering and Construction
