

REGULATION
FOR
ACCEPTANCE OF
ASPHALT, CONCRETE, BRICK (non-refractory), BLOCK, STONE, AGGREGATE,
AND EARTH AT EASTERN SANITARY LANDFILL SOLID WASTE MANAGEMENT
FACILITY

(6259 Days Cove Road; White Marsh, MD 21162)
(Adopted in accordance with Baltimore County Bill 88-90)
(July, 2009)

ASPHALT AND CONCRETE, BRICK (non-refractory), BLOCK, STONE, AGGREGATE

Asphalt rubble suitable for haul road construction and broken concrete rubble without any reinforcing mesh or bars, brick (non-refractory), block, stone, and aggregate may be accepted at the Eastern Sanitary Landfill at no charge contingent upon the need at the site and suitable ground and weather conditions, providing that the following are compiled with:

1. Before using the site, the contractor/hauler shall call the Landfill (410-887-5956 or 410-887-6036) to ensure that there is a need and to verify that the ground or weather conditions are suitable for its acceptance.
2. MIXED LOADS ARE NOT ACCEPTABLE. All acceptable materials must be kept separate. Also, there shall be NO trash, paper, wood, brick (refractory), tires, wire, re-bar or any other material mixed in with the load. (Mixed, contaminated, or non-suitable loads IF ACCEPTED will be charged the prevailing commercial disposal rate per ton. If a load is unloaded and it is seen that it is a mixed, contaminated, or non-suitable load, the hauler shall pick up and remove the contaminants, or the hauler will be assessed a disposal fee on the entire load, based upon the prevailing commercial disposal rate per ton.).

-
3. Suitable material may be accepted from 7:30 a.m.-3:30 p.m., Monday-Saturday, exclusive of collection holidays (New Year's, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas), if the ground and weather conditions permit, unless otherwise stated or approved by the Bureau of Solid Waste Management.
 4. All material shall be delivered via the main entrance, and all trucks must go on the scales and stop at the scalehouse in order that they:
 - a. Be inspected to see if the material is suitable to be accepted.
 - b. Be weighed and/or logged in.
 - c. Be directed to the proper disposal area.
 5. All material shall then be delivered to the designated disposal area and unloaded in a proper and suitable manner according to direction by Landfill supervision.
 6. All vehicles shall obey the traffic signs and be operated in a safe manner.

EARTH

It is possible, but not probable, that clean, non-contaminated, suitable earth may also be accepted at no charge at the Eastern Sanitary Landfill contingent upon the need at the site and suitable ground and weather conditions, provided that the previous regulations #1-6 are complied with. (**THE CONTRACTOR/HAULER MUST CALL EASTERN SANITARY LANDFILL @ 410-887-6036 OR IF LESS THAN 500 CUBIC YARDS, CALL 410-887-8694 (EXT. 1, 2, OR 3) AND OBTAIN APPROVAL FIRST**). Generally, organic soils (such as peat moss), soils with much vegetative root mat, and silts and clays with large liquid limits will not be suitable. In addition, the Bureau of Solid Waste Management, at its sole option and discretion,

may request the hauler to spread the earth and/or provide sediment control, and/or stabilize the fill, etc., depending on the need, requirement, or quantity to be disposed.

GENERAL (FOR ASPHALT, CONCRETE, BRICK, BLOCK, AGGREGATE, AND EARTH)

Upon notification or observation of any of the previous conditions being violated or compromised by a contractor, his agents, or hauler, the County, at its sole option and discretion, may PERMANENTLY or temporarily forbid the contractor and/or his agents and/or hauler from using the Eastern Sanitary Landfill or any other County site. At the very least, all future loads may be charged the prevailing commercial disposal rate.

The Bureau of Solid Waste Management shall be the sole judge as to determining the need for asphalt, concrete, brick (non-refractory), block, stone, aggregate, or earth; the suitability of ground or weather conditions; and the acceptability of the asphalt, concrete, brick (non-refractory), block, stone, aggregate, or earth.

It is possible that the Bureau of Solid Waste Management may be operating other sites, which may take asphalt, concrete, brick (non-refractory), block, stone, aggregate, and earth. Call 410-887-6036 or 410-887-2009 for more information.

MISCELLANEOUS

All users of the site shall follow signage and direction of the on-site personnel, and all applicable safety regulations. Children and pets are to remain in vehicles. **SCAVENGING** (including solicitation of items being delivered by others on site) is prohibited in compliance with our Refuse Disposal Permit.

Anyone, including but not limited to the specific driver, the hauling company, and the generator, using abusive language, acting in an abusive manner, or violating this regulation may

at the County's sole option and discretion, be either permanently or temporarily barred from using a site. The County will provide written notice of its decision to permanently or temporarily bar access to a site in a timely manner.

Anyone permanently or temporarily barred from a site may request a hearing before the Baltimore County Director of Public Works. To request a hearing you must submit a written request within thirty (30) calendar days of the written notice of being barred to the Baltimore County Director of Public Works, County Office Building, 111 West Chesapeake Avenue, Suite 307, Towson, Maryland 21204. A representative of the Department of Public Works will notify you of the date, time and location of your hearing in a timely manner. A hearing shall then be held between the aggrieved and the Director of Public Works or the Director of Public Works' designee, and such other representatives as may be designated. In addition, where applicable, criminal or civil prosecution may occur.

ALTERATIONS TO REGULATION

The Bureau of Solid Waste Management may add to, delete from, or revise this regulation as deemed appropriate.

QUESTIONS & ADDITIONAL INFORMATION

Questions regarding this regulation may be directed to the Bureau of Solid Waste Management at 410-887-2000 between 7:30 a.m. and 4:00 p.m., Monday through Friday or via email (solidwaste@baltimorecountymd.gov). Additional information is also available on the web: http://www.baltimorecountymd.gov/Agencies/publicworks/solid_waste/index.html

AUTHORITY

County Code §13-4-305 authorizes the Department of Public Works to adopt regulations for the acceptance of solid waste. The regulations shall include: acceptable types of waste,
