AMENDMENT NO. 1

Prospective bidders have posed the following questions:

- 1. Question:** How much has been spent towards the previous MA#'s 00002106, 00002107 and 00002108 to date?

Answer: \$233,251.19

- 2. Question:** Under "Specifications" 1.1.4, what data type from GPS is to be used?

Answer: Replace the last sentence (All GPS data to be submitted in an electronic version in the format compatible with Baltimore County.) with the following:

All static GPS data to be submitted is a RINEX format with the field observation log sheets.

- 3. Question:** Under "Specifications" 1.1.5, what data type from 3D is to be used?

Answer: Add as the last sentence with the following:

A final hardcopy (reproducible) version and an electronic version in the format of Baltimore County's current version of AutoCAD. Point Cloud images may be required for presentations.

- 4.** On page 21, change the first sentence of "**INVOICES**" Section 12.1 to read as follows:

Vendors Daily Work Tickets detailing the quantity of work performed under the payment unit of measure must be available upon request.

- 5.** On page 25, under "**WORK PROCEDURES**" Section 6.5 replace with the following:

6.5 The Chief of the Land Survey Division, or his authorized representative, shall stipulate whether the vendor will quote prices for regular time, overtime, or a combination thereof. The vendor shall only work overtime when specifically told to do so. The Chief of the Land Survey Division, or his authorized representative may determine what skill levels of workers and how many of each level shall work on any job under this agreement. The Chief of the Land Survey Division, or his authorized representative, may indicate the types and quantities of materials incorporated in the work and shall approve all sources of supply. All materials incorporated in the work (stakes, paint, ribbons, and nails) may need approval by the Chief of the Land Survey Division, or his authorized representative, prior to use on each job. Materials incorporated in the work that have not received prior approval by the Chief of the Land Survey Division, or his authorized representative, shall be at the vendor's expense and not paid for by Baltimore County. After reviewing the drawings and the work site, the vendor

shall submit a written quotation based on the contract pricing. The vendor shall respond with a fax or emailed estimate. Included in the quote shall be estimated labor and material cost, brief description of work to be done, and the work location.

When approved, the vendor will be given a verbal Notice To Proceed or a delivery order by the Chief of the Land Survey Division, or his authorized representative. Each verbal Notice To Proceed shall be confirmed by a fax or email. When emergencies occur, the vendor shall call in the price quotation to the Chief of the Land Survey Division, or his authorized representative, when the quote is agreed upon, the vendor will be given the verbal Notice To Proceed. The vendor shall commence emergency work immediately.

6. On page 26, under “**MAINTENANCE OF TRAFFIC**” Section 8.1, last paragraph, remove the last sentence (There shall be no contract pay item for the maintenance of traffic, it is incidental to all the other contract pay items.).

7. All other terms and conditions remain the same.
