   **4. PRICES.**

   4.1 Prices quoted must remain firm for the period covered by this contract, unless prices escalation is herein specified. Unit prices quoted shall include uniform and performance specifications, and delivery cost and charges. **The contractor must explicitly note exceptions that may affect the unit price.**

8. Question: Are delivery costs required to be included in the unit price for each item?
   
   **Answer:** Yes, if the vendor wishes to include delivery cost separate they must take an exception to this in their response. Please note that any exceptions to the County’s terms and conditions will be considered during bid evaluation.

9. Question: What is the size email size limit for submitting responses to bid@baltimorecountymd.gov?
   
   **Answer:** Offerors are advised that the County cannot receive email attachments greater in size than twenty-five (25) megabytes and this size limitation may be further reduced by requirements of the Offeror’s email provider which are beyond the control of the County. Offeror should consider separating any large response attachment into multiple parts and emailing each part separately. In such case, Offeror will note that each email is 1 of 2, 2 of 2, etc. Multiple part Responses will not be considered unless all parts are received by the bid closing date and time.
