The following information is offered, as the result of correspondence received on February 7, 2020.

1. Please delete Number 1 of the Detail Specifications (Page 24) and replace with:

   1. CONFIGURATION 1-
      TRUCK, CAB & CHASSIS, REGULAR CAB, SRW, 4X2, FORD F-350, WITH A MOUNTED KNAPEHIDE CA #60 SERIES 600 SERVICE BODY, OR APPROVED EQUAL.

2. Question: Can we supply a different brand crane? We would most likely use a Liftmoore product as ETI is a Palfinger company, not compatible to Knapheide dealers.

   Answer: Equivalent items will be considered. Any deviations from the County’s specifications should be clearly noted in Column B of the Detail Specifications (Pages 24-56).

3. All other terms and conditions remain the same.
