The following information is offered, as the result of correspondence received on February 25, 2020.

1. **Question:** Is there a list of vehicles (make and model) applicable to this requirement? The vehicle type would affect our pricing considerations.

   **Answer:** The brake parts ordered through the existing agreement primarily include Freightliner, Rosenbauer fire apparatus, Sterling, Chevrolet, Ford and International. However, please be advised that current and future purchases may not be limited to just these vehicle manufacturers.

2. All other terms and conditions remain the same.

**PLEASE SIGN BELOW ACKNOWLEDGING RECEIPT OF THIS ADDENDUM AND RETURN WITH YOUR BID.**
