The following questions and answers are issued for this solicitation.

1. **Question:** Are partial bids acceptable?
   **Answer:** On page 17 under Method of Award, we may award in whole or in part, so partial bids may be considered.

2. **Question:** For the “MERV 8” filters. Are pure baking soda odor deodorizing MERV filters acceptable?
   **Answer:** No, they are not acceptable.

3. **Question:** Would this be one large order shipped altogether at once? Or do you plan on multiple smaller orders throughout the year?
   **Answer:** On page 17 under Section 2. Term of contract, this is for a possible five year term if all renewal options are exercised. Additionally, under Section 5.1 Delivery Orders, orders will be issued from time to time throughout the five year term. This is not one large order, but rather multiple smaller orders throughout the year(s) of the contract.

4. **Question:** Are the frames for the pricing page line items below plastic or cardboard?
   **Answer:** Line item #9 Filter, Air, pleated Std., Cap. 60%, size 20" x 25" x 2" – **cardboard frame**
   Line item #10 Filter, Air, pleated Std., Cap. 60%, size 16" x 20" x 2" – **cardboard frame**
   Line item #20 Filter, Air, pleated, Std., Cap. 60%, size 16" x 25" x 4" – **cardboard frame**
   Line item #29 (pool area), Filter, Air, Pleated, MERV 14, size 16" x 25" x 4" VARICEL. Single or Double header? – **Single header**. Also, is it a Plastic or cardboard frame? – **Cardboard frame**.

5. All other terms and conditions remain the same.
