General Instructions for Solicitations

1. Instructions, Forms and Specifications

1.1 All bids/proposals are to be submitted on and in accordance with the forms provided by the Purchasing Division. All bids must be submitted in a sealed envelope/carton or electronically as specified in the General Conditions. All bids must be clearly identified with the SOLICITATION NUMBER and the DUE DATE and TIME for mailed and/or hand-delivered submittals and SOLICITATION NUMBER for electronic submittals. Bid times are either Eastern Standard Time or Eastern Daylight Time, whichever prevails. Late bids will not be considered.

1.2 Responses to Requests for Bids and Requests for Proposals shall be accompanied by an executed Procurement Affidavit, as provided by the Purchasing Division. This does not apply to Requests for Quotations.

1.3 Amendments to solicitations often occur prior to bid opening and sometimes within hours prior to bid opening. All bidders are responsible for frequently visiting the Purchasing web site to obtain amendments once they have downloaded a solicitation.

1.4 Additional information or clarification of any of the instructions or information contained herein may be obtained from the Purchasing Division. The County assumes no responsibility for oral instructions or suggestions. All official correspondence in regard to this solicitation must be directed to, and will be issued by, the Purchasing Division.

1.5 Bidders finding any discrepancy in or omission from the specifications, in doubt as to meaning, or asserting that the specifications are discriminatory, shall notify the Purchasing Division in writing at once, but in no case later than five (5) business days prior to the scheduled opening of bids. Exceptions stated do not obligate the County to change the specifications. The Purchasing Division will notify all bidders in writing, by amendment duly issued, of any substantive revisions to specifications or instructions.

1.6 Unless a written exception detailing non-conformance to specifications is noted on the bid, any part number, product number, catalog number, etc., noted on the bid will be considered in full compliance with the specifications.

1.7 Submission of a bid in response to this solicitation evidences the bidder’s acceptance of these General Instructions and the terms and conditions of the solicitation. Submission of a bid evidences bidder’s representation and warranty that the person submitting the bid response is authorized to act for and bind the contractor.

1.8 All original and duplicate bids/proposals and other attachments, related documents and correspondence, including all follow-up documents and correspondence, shall be typed or written in English. All prices/percentages and/or other monetary figures shall be in United States dollars.

1.9 Requests for Bids and Requests for Proposals should be accompanied by an electronic version (Compact Disc) of the bid proposal in PDF format. It shall be the bidder’s responsibility to verify that the electronic version is complete. The electronic version of the non-successful proposal response will be the only version retained by Baltimore County. The Compact Disc must be labeled with the bid number, the bid title, and the bidder’s name submitting the response. All bids must be submitted in a sealed envelope or carton as appropriate. This does not apply to Requests for Quotation.

1.10 Issuing Officer: The sole point of contact for the County for purposes of this solicitation is the Buyer, listed on the cover page; questions regarding any aspect of the competitive process must be directed to the Buyer, in writing.

2. Award of Solicitations

2.1 Any award pursuant to Requests for Quotation and Requests for Bid is made to the lowest responsive and responsible bidder following the public opening of bids under Section 10-2-406 of the Baltimore County Code, 2003, as amended.

2.2 Awards on Requests for Quotations and Requests for Bid will be made within sixty (60) days after bid opening unless otherwise indicated in this solicitation. No bidder will be allowed to withdraw a bid during that period.

2.3 The successful bidder may be required to give security or bond, as stated in the bid document, for performance of the contract.

2.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

2.5 Cash discounts will be considered in determining awards. However, cash discount offers must allow not less than 30 days to be considered in bid evaluation. A bid offering a cash discount in a period of less than 30 days will be evaluated as a bid without a discount offer; however, should that bidder obtain award by consideration of the gross price, the County shall make every effort to obtain the discount. The County will not accept any payment terms with a period of less than 30 days.
2.6 Invoices against resulting order(s) must be submitted, in duplicate, to the Office of Budget and Finance, Disbursements Section, 400 Washington Avenue, Room 148, Towson, Maryland 21204-4665. Invoices must show the vendor’s Federal Tax Identification Number or Social Security Number, as appropriate, and order number and line number(s) that correspond with resulting order(s).

2.7 The County will not pay interest charges or other penalties for invoice payments.

2.8 Prices quoted shall be exclusive of all non-applicable Federal and Maryland State taxes. Tax exemption certificate will be furnished if required.

2.9 The County reserves the right to consider making payments via electronic funds transfers (EFT) on contracts for which this payment vehicle may be appropriate.

3. Reservations

3.1 The County reserves the right to reject, in whole or in part, any and all bids received, and to make a whole award, multiple awards, a partial award, or no award, to best serve the public interest.

3.2 The County may waive formalities in bids as the interests of the County may require.

3.3 The County reserves the right to increase or decrease quantities by approximately twenty (20) percent to be purchased at the prices bid.

3.4 The County reserves the right to award solicitations or place orders on a lump sum or individual item basis, or in such combination as to best serve the public interest.

3.5 The County may waive minor differences, irregularities, and technicalities in the specifications, provided they neither violate the specifications intent, materially affect the operation for which the items or services are being purchased, nor increase estimated maintenance and repair costs to the County.

3.6 At any time during normal business hours and as often as the County may deem necessary, the Contractor shall make available to and permit inspection and photocopying, by the County, its employees or agents, of all records, information and documentation of the Contractor related to the subject matter of this contract, including, but not limited to, all contracts, invoices, payroll, and financial audits.

3.7 Notwithstanding any other terms or provisions of the contract, in the event the County is temporarily or permanently prevented, restricted or delayed in the performance of any or all of the duties and obligations imposed upon or assumed by it thereunder, by act of the General Assembly of Maryland or the Baltimore County Council, by a court of competent jurisdiction or by administrative delay not due to the fault of the County (and its members and agents) shall not be liable directly or indirectly for any claims caused to or suffered by the Contractor or any other person in connection with or as a result of such prevention, restriction or delay.

3.8 The County further reserves the right to make such investigation as it deems necessary to determine the ability of bidders to furnish the required services, and bidders shall furnish all such information for this purpose as the County may request. The County also reserves the right to reject the proposal of any bidder who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a manner acceptable to the County, all of which shall be in the County’s sole discretion.

4. Delivery

4.1 Bidders shall guarantee delivery of materials in accordance with the delivery schedule stated in specifications. All items shall be delivered F.O.B. Destination/Inside Delivery, unless otherwise indicated, with delivery costs and charges included in the bid price.

4.2 The County reserves the right to charge the Contractor or vendor for each day the materials, supplies, or services are not delivered in accordance with the delivery schedule. The sum established by the specifications may be invoked at the discretion of the Purchasing Agent, said sum to be considered not as a penalty, but as liquidated damages, and deducted from final payment, or otherwise, charged to the Contractor or vendor. This remedy is not exclusive but shall be in addition to all other rights and remedies available to the County. These liquidated damages shall be in addition to any and all actual damages incurred directly or indirectly by the County, its agents, assigns, and contractors.

4.3 All bidders and vendors are to ensure that packaging materials used for this requirement are not made of non-recyclable Styrofoam (Polystyrene). Additionally, any materials used in packing to cushion, protect and ship are to be made of recycled, recyclable or biodegradable materials.

5. Competition

5.1 The name of any manufacturer, trade name, or vendor catalog number mentioned in the specifications
is for the purpose of designating a standard of quality and type, and for no other purpose unless otherwise stated in the solicitation.

5.2 A bidder may offer a price on only one unit per line item. Even though two or more units may meet the specification, bidders must determine for themselves which to offer. Submission by a bidder of prices for more than one unit shall be sufficient cause for rejection of the bid for that specific item.

5.3 Bids which show omission, irregularity, alteration of forms or additions not called for, as well as conditional or unconditional unresponsive bids, or bids obviously unbalanced, may be rejected.

5.4 All bids must be accompanied by such descriptive literature as may be called for by the specifications or proposal.

5.5 If products to be provided to the County contain any substances that could be hazardous or injurious to a person’s health, a material safety data sheet (MSDS) must be provided to the Purchasing Division. This applies also to any product used by a Contractor when providing a service to the County.

5.6 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

5.7 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

6. Terminations

6.1 Termination for Convenience: The County may terminate a contract, in whole or in part, without cause, by providing written notice thereof to the Contractor. In the event of termination, without cause, the County shall advise the Contractor in writing of the termination date and of work to be performed during the final days prior to contract termination. The Contractor shall be paid for all reasonable costs incurred by the Contractor up to the date of termination set forth in the written notice of termination. The Contractor will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination. Payments to be provided on a lump sum basis shall be prorated by the County based on the services rendered or goods delivered up to the date of termination set forth in the written notice.

6.2 Termination for Default:

6.2.1 In addition to other available rights and remedies, the County shall have the right upon the happening of any default, without providing notice to the Contractor: 1) To terminate a contract immediately, in whole or in part; 2) To suspend the contractor’s authority to receive any undisbursed funds; and/or 3) To proceed at any time or from time to time to protect and enforce all rights and remedies available to the County, by suit or any other appropriate proceedings, whether for specific performance or any covenant, term or condition set forth in the contract, or for damages or other relief, or proceed to take any action authorized or permitted under applicable law or regulations.

6.2.2 Upon termination of a contract for default, the County may elect to pay the Contractor for services provided or goods delivered up to the date of termination, less the amount of damages caused by the default, all as determined by the County in its sole discretion. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder.

6.3 Funding Out: If funds are not appropriated or otherwise made available to support contract continuation in any fiscal year, the County shall have the right to terminate the contract without prior notice to the Contractor and without any obligation or penalty.

7. Hold Harmless – Indemnification

7.1 The Contractor shall defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney’s fees and court costs which may be incurred or made against the County, its employees, agents or officials resulting from any act or omission committed in the performance of the duties imposed by and performed under the terms of the contract. The Contractor shall not be responsible for acts of gross negligence or willful misconduct committed by the County.

7.2 The Contractor shall also defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney’s fees and court costs which may be made against the County, its employees, agents or officials by any third party arising from the alleged violation of any third party’s trade secrets, proprietary information, trademark, copyright, patent...
rights, or intellectual property rights in connection with the contract.

7.3 Unless notified in writing by the County to the contrary, the Contractor shall provide defense for the County, its employees, agents and officials in accordance with this Article and in doing so the Contractor shall allow the County to participate in said defense of the County, its employees, agents and officials, to the extent and as may be required by the County and the Contractor shall cooperate with the County in all aspects in connection therewith. All filings, actions, settlements, and pleadings shall be provided to the County for comment and review prior to filing or entering thereof. No filing, action, settlement or pleading shall be filed or entered without the prior consent and approval of the County.

9.2 Bidders desiring to appeal a decision of the Purchasing Division must deliver written protests to the Purchasing Division within 10 days of notification of award. The Purchasing Agent or designee will review the protested decision, examine any additional information provided by the bidder and respond in writing within 10 working days of receipt of written protests.

9.3 Instructions, Specifications, and Proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the provisions of the Baltimore County Charter, and Article 10, Title 2 of the Baltimore County Code, 2003, as amended, and regulations and policies established or prescribed by the Purchasing Division.

Submission of a bid in response to this solicitation evidences the Contractor’s acceptance of the terms and conditions therein.

12.2 The provisions of the contract awarded pursuant to this solicitation shall be governed by the laws and regulations of Maryland and Baltimore County.

12.3 Any litigation arising out of or relating in any way to the contract or the performance thereunder shall be brought only in the courts of Maryland, and the Contractor hereby irrevocably consents to such jurisdiction. To the extent that the County is a party to any litigation arising out of or relating in any way to the contract or the performance thereunder, such an action shall be brought only in a court of competent jurisdiction in the courts of the State of Maryland.

13. Severability: If any provisions in the contract are declared by a court or other lawful authority to be unenforceable or invalid for any reason the remaining provisions hereof shall not be affected thereby and shall remain enforceable to the full extent permitted by law.

14. Counterparts: The contract may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument.

15. Survival: The provisions of paragraphs 1.7 (Representations and Warranties), 4.2 (Damages), 7 (Indemnification), and 10 (HIPAA) shall survive delivery of commodities and/or performance of services.

16. No Waiver, Etc.: No failure or delay by the County to insist upon the strict performance of any term, condition or covenant of the contract, or to exercise any right, power, or remedy consequent upon
a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the County from exercising any such right, power, or remedy at any later time or times.

17. Maryland Registration / Qualification Requirements:

17.1 Baltimore County verifies the company’s status with SDAT and may require the successful bidder to submit a Good Standing Certificate (also known as a “Certificate of Status”) issued by the Maryland Department of Assessment and Taxation’s (“SDAT”) Charter Division, and the State of Organization.

First Source Hiring Agreement Overview

What is First Source Hiring?

Baltimore County’s First Source Hiring Agreement requires that developers, contractors, and employers utilize good faith efforts toward employing economically disadvantaged Baltimore County residents in newly created positions on applicable projects. These efforts are supported by Baltimore County’s workforce development system, a partnered network of business and economic development professionals, education and training providers, and human service agencies working together systematically to provide a ready supply of qualified workers to employers with hiring needs. The intent of First Source is to connect these individuals with new jobs that are generated by the County’s investment in contracts or public works; or by business activity that requires approval by the County’s Department of Economic and Workforce Development.

The goals of the First Source Hiring Agreement are to:

- Increase awareness of the resources, services and potential benefits available to help Baltimore County employers meet their workforce needs; and,
- Give economically disadvantaged individuals the first opportunity to apply for new jobs in Baltimore County.

Which businesses can participate in First Source Hiring?

1. Businesses who have leases with the County or on County property; or,
2. Businesses with County contracts for goods, services, and grants in excess of $100,000 which are projected to create new jobs/positions to fulfill contract terms

How can first source help your business?

Baltimore County Department of Economic & Workforce Development’s (DEWD’s) Business Services Team can help coordinate recruitment services with our workforce partners in collaboration with our three Baltimore County Career Center locations to assist with finding pre-screened, qualified candidates. Available services may include but are not limited to:

- Posting and promotion of employment opportunities through our network of service providers
- Access to diverse talent pools from within Baltimore County’s workforce system
- Access to Baltimore County Career Centers for coordinated recruitment/interviewing activities
- Referral of pre-screened, qualified candidates for employer consideration
- Assistance with using the Maryland Workforce Exchange - a statewide job database and candidate matching platform
- Information on earning tax credits and other employer benefits for new hires (if applicable)
I’d like to participate in First Source Hiring…Where do I start?

Step #1: Register your business with the Maryland Workforce Exchange. This is an online database to track First Source Hiring job opportunities. As an employer, the Maryland Workforce Exchange can help you promote job openings, search for qualified candidates and share placement information.

Step #2: Businesses or non-profits who receive a non-construction or professional services contract from Baltimore County over $100,000 are required to project the number of job openings they expect during the contract period. After registering your business with Maryland Workforce Exchange, complete the First Source Hiring Description Form and email it to the Baltimore County Department of Economic and Workforce Development (DEWD) at firstsourcehire@baltimorecountymd.gov. If you have any questions about registering with MWE or completing the form, contact our office at 410-887-8000.

Step #3: Once you are registered in MWE and Baltimore County receives your First Source Hiring Description Form via email, you will be contacted by a member of the Business Development Team to assist with recruitment for your open positions.

Helpful Tips:
Businesses that qualify are asked to post their openings with Baltimore County’s First Source Hiring network of service providers, and offer the County the first opportunity to refer qualified candidates to those positions. While the agreement does not require an employer to hire a specific candidate, it does ask that employers make a good faith effort to hire referrals from the County’s workforce development system. We ask that employers would report basic information for any new hires by entering the placement data in the Maryland Workforce Exchange, or by completing an Employment Verification and Employer Survey Form (see FORM 2 attached) or via email at the completion of your recruitment activities.

1. **BACKGROUND.**

1.1 The Baltimore County Department of Health, Bureau of Behavioral Health seeks one or more qualified vendors to provide recovery housing services for Baltimore County residents. The intent of recovery housing through the Bureau of Behavioral Health is to ensure that individuals seeking recovery are able to access a safe, healthy recovery environment to initiate and sustain recovery.

1.2 The target population is adults, age 18 and above, who are in recovery from a SUD, OUD, or co-occurring disorder. Special attention will be given to programs that accept women and children and programs with age specific houses that include emerging adults, 18-26 years of age. Individuals can be funded for a 30 day stay, with extensions being granted on a case-by-case basis, up to 120 days. Each case will be evaluated monthly by the peer specialist assigned to the individual, with final approval given by the Program Manager for Recovery Support Services, or designee. Award for housing does not guarantee a minimum number of referrals.

1.3 Programs must accept and adequately support individuals enrolled in Medication Assisted Treatment (MAT)/Recovery. Applicants must have a written policy for individuals currently enrolled in Medication Assisted Treatment/Recovery to determine the level of capability to provide support to individuals choosing MAT as part of their path to recovery and include it in their bid.

1.3.1 According to the National Alliance of Recovery Residences (NARR), MAT capable is defined as: MAT-capable recovery residences (RR) are recovery residences that are capable of adequately supporting one or more residents undergoing all forms of MAT while supporting the safety and recovery of other residents and peer staff who may not be undergoing MAT and/or who have had negative experiences on MAT. The distinction is in contrast to an RR that may begrudgingly accept an applicant on MAT under legal guidance or due to economic incentives. MAT-capable recovery residences can use a mixed population approach, meaning both individuals on MAT and those not on MAT are living in the same household, or a MAT-specific approach (MAT in Recovery Residences Policy Guide, August 2018).

1.4 The peer support specialists working for the Baltimore County BBH will be the referral source for this program and ongoing contact with the designated peer specialist is required to continue funding. BBH will serve as the gatekeeper for the individual admissions into the program’s recovery housing and will determine if an individual is eligible for recovery housing.

2. **SCOPE OF SERVICES.**

2.1 The recovery house will operate in compliance with all applicable laws and regulations, and the Conditions of Award set forth by the Behavioral Health Administration. Compliance with the Department of Health Services Agreements Manual and the signed contract with Baltimore County are mandatory.
2.2 The recovery house must be certified through the Maryland Coalition of Recovery Residences (MCORR).

2.3 The recovery house will comply with the NARR Recovery Residence Quality Standards. Refer to Exhibit A.

2.4 The recovery house will adhere to the NARR Code of Ethics. See Exhibit B.

2.5 Ideally, the location of the recovery residence will be accessible to Baltimore County residents via public transportation, or via transportation provided by the recovery house’s service; however, this is not mandatory.

2.6 The recovery residence must offer one of the four levels of support as outlined in the NARR Recovery Residence Quality Standards. A Contractor may have a recovery residence program in which there are multiple recovery houses, each offering the same level of support at different locations, or each offering a different level of support.

2.7 The Contractor must clearly state the level of support provided at the recovery residence. Should the Contractor have multiple recovery residences, the level of support must be indicated for each residence.

2.8 The recovery residence will establish a daily sign-in process showing BBH-referred residents’ signatures, noting the day and date that the individual is in residence.

2.9 BBH-referred residents must be enrolled in Intensive Outpatient (IOP) or Outpatient (OP) level of treatment, however, the treatment program is to be decided by the individual and acceptance into the recovery residence may not be tied to attending the treatment program offered by the Contractor.

2.10 The Contractor is responsible for the recovery residence day-to-day operations and must advise the designated peer support staff, or the BBH Program Manager for Recovery Support Services, if an individual who has been placed through or is currently receiving Baltimore County BBH funding, is being expelled from the residence, and the reason for his/her expulsion. This notification is to occur prior to the expulsion, unless the individual presents imminent harm to self or others, in which case, the appropriate emergency responder should be notified.

2.11 Should a BBH-funded resident require hospitalization due to a medical emergency or mental health emergency, or take an approved leave due to a family emergency (serious illness, accident, death of an immediate family member), BBH will pay for the resident’s bed to be held for up to (3-5) three to five days, depending on the circumstances.

2.12 The Contractor agrees to provide required data for BBH-funded residents (recovery housing start and end date, for example) to BBH to be entered into a BBH data collection system or a state-identified data collection system within (1) one working day of admission and discharge.

2.13 The Contractor agrees to be monitored by designated BBH staff and agrees to unrestricted visits by the BBH peer support team. BBH reserves the right to conduct a yearly inspection and to grievance-driven inspections when warranted. BBH Program Managers/Quality Assurance/ Fiscal will have access to client, program and fiscal records upon request.

2.14 The Contractor shall keep residents’ records secure with access limited to authorized staff only.
2.15 The Contractor shall maintain a policy and procedure protecting residents from retaliation in relationship to a grievance or related to a complaint.

2.16 The Contractor shall submit monthly invoices for an individual’s recovery house residence by the 10th day of each month, for the housing provided the preceding month.

3. **COMPENSATION.**

3.1 Funding available for services is based on availability of funding to Baltimore County. The County assumes no obligation for funding beyond the amount of the Awards it receives which are budgeted for this service.

Length of the initial stay will be 30 days and will be reviewed monthly to determine eligibility for 30 day extensions, not to exceed 120 days per person. Any days that have not been approved by the Program Manager for Recovery Support Services will be the responsibility of the Contractor(s). The Contractor(s) shall submit monthly invoices for recovery housing rendered by the 5th day of the month for services provided in the preceding month. Invoices must indicate resident names, admission date and discharge dates, and the number of service days in the month for which payment is requested for each resident.

4. **TERMS OF AGREEMENT.**

4.1 The term of the contract shall be for two (2) years, beginning July 1, 2020. The County reserves the right to renew this contract for up to five (5) additional one-year renewal options under the same terms and conditions. The County will automatically renew the contract on each option year unless notice is given to the Contractor that the contract is not renewed.

4.2 If price adjustments are requested pursuant to the terms of the contract, the Contractor must notify the Baltimore County Purchasing Division at least ninety (90) days prior to the current terms expiration date.
