Exceptions stated do not obligate the County to change the specifications. The Purchasing Agent will notify all bidders in writing, by amendment duly issued, of any substantive revisions to specifications or instructions.

1.7 Unless a written discrepancy, change, supplement, or exception to the specifications is noted on the bid detailing nonconformance, any part number, or product number, etc. noted on the bid will be considered in full compliance with the specifications. Submission of a bid in response to this solicitation evidences the bidder’s acceptance of the terms and conditions herein.

1.9 The Purchasing Agent will notify bidders of any changes, additions or deletions to the specifications by written addenda posted on the lead agency’s web site at www._____________. This does not apply to Requests for Quotation.

2. BID DEPOSIT

2.1 A bid deposit may be required when indicated in the solicitation. Failure to submit the bid deposit with the bid, when required, will nullify the bid.

2.2 When required in the solicitation, a certified check, treasurer's check, U.S. Postal Money Order, or a bid bond must accompany each bid.

2.3 Bid deposits will be returned to each unsuccessful bidder upon the award of the solicitation, and to successful bidders upon its execution of the contracts with each participation jurisdiction and the meeting of bond requirements, if applicable.

2.4 Nonperformance by a successful bidder, failure to execute a contract with each participation jurisdiction, or failure to meet bond requirements within the time frame specified in the solicitation or award notification may result in the bid bond being forfeited as liquidated damages.

3. BASIS FOR AWARD OF CONTRACT

3.1 The Purchasing Agent shall award all contracts to the lowest responsible and responsive bidder(s) for competitive sealed bids and based on best value for competitive negotiations as determined in the sole discretion of the Purchasing Agent. Each participating jurisdiction will execute its own contract and issue its own purchase order for their contract. Each participating jurisdiction is responsible for determining that the method of solicitation complies with its procurement laws.

3.2 Any other consideration for the award will be stated in the solicitation.

3.3 Unless otherwise agreed in writing by the Purchasing Agent and the bidder(s) specified, all bids submitted shall be irrevocable for 120 calendar days following bid opening date, unless the bidder(s), upon request of the Purchasing Agent, agree to an extension. No bidder may withdraw its bid during that period.

3.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

3.5 Bids shall be exclusive of all non-applicable Federal and Maryland state taxes. Tax exemption certificates will be furnished if required.

3.6 Each participating jurisdiction reserves the right to make payments via electronic funds transfers (EFT) or procurement cards for purchases for which those payment methods may be appropriate.
4. **CASH DISCOUNT AND NET PAYMENTS**

4.1 Cash discounts based on time of payment will not be considered in determining an award, but will be taken by each participating jurisdiction, if applicable, at time of payment.

4.2 Bids requiring payment within less than 30 days from the date of invoice will be rejected.

5. **PERFORMANCE AND PAYMENT BONDS**

5.1 The successful bidder may be required to give security or bond for the performance of each participating jurisdiction’s contract as determined by the Purchasing Agent.

5.2 When bonds are required, a surety licensed to do business in the State of Maryland must issue the bonds for each participating jurisdiction.

6. **RESERVATIONS**

6.1 The Purchasing Agent reserves the right to reject any or all bids, in whole or in part, when in his/her reasoned and sole judgment, the public or BRCPC’s interest will be served thereby.

6.2 The Purchasing Agent may waive formalities or technicalities in bids as the interest of the public or BRCPC and its participating jurisdictions may require, providing these differences do not violate the intent of the specifications, materially affect the operation for which the items are being purchased, or increase the price or estimated maintenance and repair cost.

6.3 Unless otherwise provided herein, each participating jurisdiction reserves the right to increase or decrease the quantities to be purchased at the prices bid. The quantity intended to be purchased and the period and/or percentage amount of any such reservation shall be stated in the solicitation and/or in any applicable participating jurisdiction’s contract.

6.4 Unless otherwise provided herein, the Purchasing Agent reserves the right to make award(s) on a lump sum basis, individual item basis, or such combination as shall be in the best interest of the public and/or BRCPC.

6.5 Unless otherwise provided herein, the Purchasing Agent reserves the right to order goods or services from other sources without prejudice to the contract.

7. **DELIVERIES**

7.1 Bidders shall guarantee delivery in accordance with any delivery schedule as may be provided in the solicitation and/or in each participating jurisdiction’s contract.

7.3 Each participating jurisdiction reserves the right to levy a per diem charge to the successful bidder for each day the goods or services are not delivered in accordance with the delivery schedule. The per diem charge, identified in the solicitation and/or in each participating jurisdiction’s contract, may be invoked at the discretion of the participating jurisdiction and said sum may be taken as liquidated damages and deducted from any compensation due to the successful bidder. Invoking the per diem charge as liquidated damages is not a waiver of the right to any other remedies or damages.
7.4 When practical, the successful bidder must package and ship all products in packaging and containers made of recycled, recyclable or biodegradable materials. Bidders are encouraged to eliminate packaging, or to use the minimum amount necessary for product protection, in order to minimize waste to the greatest extent practicable.

8. COMPETITION

8.1 The name of any manufacturer, trade name, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quality and type, and for no other purpose unless otherwise stated in the solicitation.

8.2 A bidder shall offer a price on only one unit. Even though two or more units may meet specifications, Bidders must determine which to offer. Submission by a bidder for more than one unit shall be sufficient cause for rejection of that specific item in the Purchasing Agent’s sole discretion.

8.3 Bids that show any omission, irregularity, alteration of forms, additions not called for, conditional or unconditional unresponsive bids, or bids obviously unbalanced may be rejected in the Purchasing Agent’s sole discretion.

8.4 All bids must be accompanied by such descriptive literature as may be called for by the solicitation.

8.5 If goods to be provided or goods to be used by a successful bidder when providing a service contain any ingredients that could be hazardous or injurious to a person’s health, a Material Safety Data Sheet (MSDS) must be provided to the Purchasing Agent. This applies also to any goods used by the Successful Bidder when providing a service to the BRCPC.

The successful bidder shall allow each participating jurisdiction to participate in the defense of the participating jurisdiction, its employees, agents and officials, to the extent and as may be required by the participating jurisdiction, and the successful bidder shall cooperate with the applicable participating jurisdiction in all aspects in connection therewith.

10. INSURANCE

10.1 The successful bidder shall, at all times during the term of each participating jurisdiction’s contract, maintain and keep in force such insurance as Workmen’s Compensation, Liability, and Property Damage as will protect the successful bidder from claims under Workmen’s Compensation Acts and also such insurance as will protect the successful bidder and the participating jurisdictions from any other claims for damages for person injury, including death, as well as from claims for damages to any property of each participating jurisdiction or of the public, which may arise from operations under this solicitation and each participating jurisdictions’ contract, whether such operations are by the successful bidder or any subcontractor or any agent directly or indirectly employed by any of them.

12 TERMINATION

12.1 Termination for Convenience: Any participating jurisdiction may terminate its contract, in whole or in part, upon giving at least thirty (30) days written notice to the successful bidder. The participating jurisdiction shall pay all reasonable costs incurred by the successful bidder up to the date of termination in connection with that participating jurisdiction’s contract only. The successful bidder will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination by any participating jurisdiction or BRCPC. The BRCPC will be promptly notified in writing of any termination hereunder by the applicable participating jurisdiction.

12.2 Termination for Default: When the successful bidder has not performed or has unsatisfactorily performed under the contract of any participating jurisdiction, the participating jurisdiction may terminate its contract for default and the successful bidder is entitled to any reasonable costs incurred by the successful bidder up to the date of termination. The successful bidder will not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. The BRCPC will be promptly notified in writing of this termination by the applicable participating jurisdiction.

13 PATENT INFRINGEMENT

The successful bidder agrees to indemnify, protect, defend and save harmless each participating jurisdiction, its officers, agents, and employees with respect to any claim, action, cost (including, but not limited to, attorney’s fees), or judgment for patent, copyright, or trademark infringement, or any other claim related to intellectual property or proprietary information arising out of purchase or use of goods or services or from any of the successful bidder’s duties or obligations covered by the solicitation or any participating jurisdiction’s contract. The successful bidder shall allow each participating jurisdiction to participate in the defense of the participating jurisdiction, its employees, agents and officials, to the extent and as may be required by the participation jurisdiction, and the successful bidder shall cooperate with the applicable participating jurisdiction in all aspects in connection therewith.

14 NON-ASSIGNMENT

Instructions, specifications, and proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the enabling respective legislation of each of the participating jurisdictions. The successful bidder shall ensure compliance with the ethics provisions of the participating jurisdictions.

17. FAILURE TO RESPOND

Bidders who fail to respond three (3) times in succession to solicitations without adequate justification may be removed from the bidder’s list.

18. AVAILABILITY OF FUNDS

BRCPC has no obligation (contractual, financial or otherwise) hereunder or for any participating jurisdiction’s contract. The contractual obligation of each participating jurisdiction under its respective contract is contingent upon appropriation of funds by the governing body of the applicable jurisdiction from which payment shall be made.

19. GOVERNING LAW

19.1 This solicitation shall be governed by and construed in accordance with the laws of the State of Maryland without regard to any choice of law principles that would dictate the laws of any other jurisdiction. The exclusive venue for any and all actions related to this solicitation hereto shall be the appropriate Federal or State court located within the State of Maryland.

19.2 The laws of Maryland shall govern the resolution of any issue arising in connection with each participating jurisdiction’s contract, including, but not limited to, all questions on the validity of each such contract, the capacity of the parties to enter therein, any modification or amendment thereto, and the rights and obligations of the parties thereunder.

*"a corporation, association, or joint-stock company organized under the laws of the United States, another state of the United States, a territory, possession, or district of the United States, or a foreign country.” Sec. 1-101 Annotated Code of Maryland Corporations and Associations.

20. NON-WAIVER

Any waiver of any breach of covenants herein contained to be kept and performed by the successful bidder shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent any participating jurisdiction from declaring a breach or default for any succeeding breach either of the same condition of covenant or otherwise. No failure or delay by any participating jurisdiction to insist upon the strict performance of any term, condition or
covenant of its contract agreement, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the participating jurisdiction from exercising any such right, power, or remedy at any later time or times.

21. INTEGRATION

This solicitation, bid response, and each subsequent participating jurisdiction’s contract with the successful bidder contain the entire understanding between the successful bidder and each applicable participating jurisdiction. Each participating jurisdiction’s contract shall only be amended if such amendment is in writing and executed by a legally authorized representative of the successful bidder and the applicable participating jurisdiction. Any contract amendment of one participating jurisdiction shall not impact or affect any other participating jurisdiction’s contract or BRCPC.

22. SOCIO-ECONOMIC PROGRAMS

The participating jurisdictions have various socio-economic programs, which, if applicable, are detailed in the solicitation. Although there is no requirement that the bidder be a minority-owned, women-owned, disabled-owned business or small business, all underutilized businesses are encouraged to respond to this solicitation.

23. USE OF ILLEGAL IMMIGRANT LABOR

The use of illegal immigrant labor is in violation of the law and is strictly prohibited. Contractors and subcontractors must verify employment eligibility of workers in order to assure that they are not violating Federal/State/Local laws regarding illegal immigration.

24. PUBLIC INFORMATION

The participating jurisdictions operate under a public information law – Maryland Access to Public Records Act, State Government Article, Sections 10-611 through 10-628, of the Annotated Code of Maryland. Bids/proposals will be available for public inspection except to the extent that a bidder designates trade secrets or other proprietary data to be confidential. A bidder’s designation of material as confidential will not necessarily be conclusive, and may be required to provide justification as to why such material should not be disclosed upon request.
1. **TOBACCO PRODUCTS**

The use of tobacco products is not permitted on school property. Referencing Code of Maryland Regulations 13A.02.04, the use of tobacco products is not permitted in or on property owned by the Board of Education or the political subdivisions.

2. **CHILD SEX OFFENDER NOTIFICATION**

2.1 Maryland law requires certain child sex offenders to register with the local law enforcement agency. One of the purposes of this law, found in Article 27§ 792, is to inform school systems when a child sex offender is residing or working in the area. When the child sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

2.2 As a successful bidder and/or its agents working for the political subdivisions, shall not employ convicted child sex offenders to work on projects for public schools if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services on political subdivision property. Further, Maryland Law effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. A successful bidder and/or its agents who violate this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a $5,000 fine.

2.3 A successful bidder shall screen their work-forces to ensure that a registered sex offender does not perform work at a school and also ensure that a subcontractor, independent contractor, successful bidder and/or any agents conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the successful bidder’s direct employees, subcontractors, agents, and/or independent contractors it used to perform the work. Violations of this provision may cause a participation jurisdiction to take action against the successful bidder up to and including termination of the contract.

2.4 To assist you in identifying convicted child sex offenders, the schools have the list of convicted child sex offenders, which successful bidders may view. The schools maintain the list and update the list as new offenders are identified, however, it is solely the responsibility of the successful bidder to comply with this provision.

3.3 The County reserves the right to increase or decrease quantities by approximately twenty (20) percent to be purchased at the prices bid.

3.4 The County reserves the right to award solicitations or place orders on a lump sum or individual item basis, or in such combination as to best serve the public interest.

3.5 The County may waive minor differences, irregularities, and technicalities in the specifications, provided they neither violate the specifications intent, materially affect the operation for which the items or services are being purchased, nor increase estimated maintenance and repair costs to the County.

3.6 At any time during normal business hours and as often as the County may deem necessary, the Contractor shall make available to and permit inspection and photocopying, by the County, its employees or agents, of all records, information and documentation of the Contractor related to the subject matter of this contract, including, but not limited to, all contracts, invoices, payroll, and financial audits.

4.3 Bids which show omission, irregularity, alteration of forms or additions not called for, as well as conditional or unconditional unresponsive bids, or bids obviously unbalanced, may be rejected.

4.4 All bids must be accompanied by such descriptive literature as may be called for by the specifications or proposal.

This applies also to any product used by a Contractor when providing a service to the County.
4.6 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

4.7 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

5. **Minority/Women’s Business Enterprise (MBE/WBE) and Small Business Notice**: Baltimore County is seeking Minority, Woman and Small Businesses to bid on current solicitations as a prime or subcontractor. For DPW contracts, if the bidder/offeror intends to fulfill the MBE/WBE requirements by use of a joint venture, he/she must submit a Joint Venture Disclosure Affidavit (Form D-EEO-006-A and B showing the extent of MBE/WBE participation. If a bidder/offeror intends to use a MBE/WBE joint venture as a subcontractor to meet its MBE/WBE requirements, the affidavit must be submitted through the bidder/offeror by the proposed subcontractors and signed by all parties.

5. If the bidder/offeror’s proposed MBE/WBE participation does not meet the MBE/WBE contract requirements, information sufficient to demonstrate that the bidder/offeror has made every effort to meet the requirements must be submitted. (See DETERMINATION OF BID RESPONSIVENESS hereafter)

RECORDS AND REPORTS

Returning Records: The bidder/offeror must keep such records as are necessary to determine compliance with its MBE/WBE utilization requirements:

1. The MBE/WBE and non-minority contractors, type of work being performed, actual values of work and services.

2. Documentation of all correspondence, contacts, telephone calls, etc., to obtain MBE/WBE services for the contract.

3. All prime contractors and MBE/WBE sub-contractors are required to report monthly to the County through an online system called PRISM. If the contractor cannot submit his/her report on time, he/she will notify the County MBE/WBE office and request additional time to submit the report. Failure of the contractor to report in a timely manner may result in a finding of noncompliance. The County in its sole discretion and/or upon written request may require additional reports regarding MBE/WBE.

Retaining Records: All MBE/WBE records must be retained for 3 years following the expiration or any earlier termination of the contract and shall be available for inspection and photocopying by the County.

Investigation and Notification: Whenever the County believes the bidder/offeror, contractor, or any subcontractor may not be operating in compliance with the MBE/WBE requirements, the County may, in its sole discretion, conduct an investigation. If the County finds the bidder/offeror, contractor, or any subcontractor is not in compliance with the MBE/WBE requirements, the County may exercise any and all rights and remedies available to the County, under the contract, at law or equity, as deemed applicable and appropriate by the County in its sole discretion.

DETERMINATION OF BID RESPONSIVENESS

Request for Deviation: If the bidder/offeror is unable to procure from MBE/WBE firms (by subcontract or otherwise), supplies and services, any combined value of which equals the required percentage of the total value of the contract, the bidder/offeror may request, in writing, a deviation or waiver of the contract requirements. To obtain such a waiver, the bidder/offeror must submit the following information at the time bids are due:
The request for waiver request shall include (1) a signed unavailability statement (Form D) executed by all MBEs and WBEs that the bidder/offeror solicited for participation and (2) Outreach Efforts/Compliance Statement (Form E) that demonstrates the bidder/offeror’s good faith efforts to comply with the contract requirements, including copies of solicitation documentation to all potential subcontractors:

Emails, letters, facsimile transmittals and confirmations containing plans, specifications, and anticipated time schedule for portions of the work to be performed and meeting notes and agendas clearly identifying the certified MBE or WBE classification and dates that the bidder/offeror contacted each MBE/WBE; and

Telephone logs containing names, addresses, dates, telephone numbers, work to be performed, anticipated time schedule and classification of certified MBEs and WBEs contacted.

Bid Rejection: The failure of any bidder/offeror (including the apparent low bidder/offeror) to provide a responsive MBE/WBE Plan as required by the solicitation may result in the bidder/offeror being deemed non-responsive and the County’s rejection of the bid.

Liquidated Damages If the County issues a notice of intent to awards contract to the apparent low bidder/offeror who provided a responsive MBE/WBE Plan, but, if after said notice and before execution of Contract Documents, it is determined by the County that the apparent low bidder/offeror has failed to comply with the MBE/WBE Plan, such failure may result in the recommendation by the appropriate Procurement Official to annul the award and forfeit the bidder/offeror’s Proposal Guaranty to the County, not as a penalty, but as liquidated damages, it being acknowledged that actual damages will be difficult if not impossible to accurately measure. In addition, the County may proceed as it determines to be in its best interest, including but not limited to, the Notice of Award may be made to the next lowest responsive and responsible bidder/offeror or the work may be re-advertised.

Contract Breach: If, after execution of a County contract, the contractor becomes aware it may or will fail to fulfill the applicable MBE/WBE requirements and/or may or will deviate from the contractor’s bid response/contract terms, the contractor shall promptly advise the County of this in writing. Thereafter, the County will determine what action or remedy is appropriate on a case-by-case basis, in the County’s sole discretion.

Approval Required for Changes: Any and all changes to the MBE/WBE subcontractors or the type or amount of work to be performed by such subcontractors during the contract term must be mutually agreeable to the County and the contractor and shall be documented via a contract amendment, executed by legally authorized representatives of the County and the contractor.

Cooperation in Reviews: The bidder/offeror will cooperate with the County in any reviews of the contractor’s procedures and practices with respect to MBE or WBE firms, which the County may from time to time conduct in its sole discretion.

Other: If the documents used to determine the contractor’s efforts, achievement of, and/or the status of an MBE/WBE requirement or fulfillment thereof contain false, misleading or misrepresented information, the contractor may be declared in breach of the contract and the County may take any and all actions and/or remedies available to the County under the contract, at law, or in equity. If an MBE/WBE is disqualified by any public entity, including but not limited to, Baltimore City, the State or MDOT, at any time after award or during the term of the contract, the County may, in its sole discretion, require the prime contractor to promptly submit for County approval, the contractor’s plans for fulfilling the required MBE/WBE participation under the contract, and/or request such detail and additional information as the County, in its discretion deems appropriate.

*This document must be completed and submitted with Bid/Proposal to Baltimore County.

NOTE: If you do not complete and submit this form with your bid or offer to the County, the County may, in its sole discretion, deem your bid or offer NON-RESPONSIVE and accordingly the COUNTY WILL NOT CONSIDER YOU FOR CONTRACT AWARD.

I acknowledge the goal for solicitation #_____ is a minimum of _____%. This goal must be met by any combination of the MBE/WBE subcontractors. However, for instances where the Prime is counting up to 50% of the goal, the remaining goal balance must be met by any combination of the MBE/WBE subcontractors.

- The goal breakdown is as follow::
  - _____% Minority/Women Prime
  - _____% for certified MBE-owned businesses and/or
  - _____% for certified WBE-owned businesses.

I have made a good-faith effort to achieve this MBE/WBE solicitation requirement. If awarded the contract, I will comply with this MBE/WBE contract requirement and will continue to use my best efforts to increase MBE/WBE participation during the contract term.

PLEASE CHECK ONE BOX (EITHER 1, 2, OR 3)

1  [ ] Prime has met the MBE/WBE contract requirements for this solicitation and contract. I submit the Subcontractor Participation Form B and Form C, along with this Affidavit, which details how the Prime will achieve the contract requirements. Submit a complete list of all additional subcontractors

Or

2  [ ] After having made a good-faith effort to achieve the MBE/WBE requirements, the Prime can only achieve partial success. I submit the Subcontractor Participation Form B, Form C, Form D and Form E along with this Affidavit, which details how the Prime will partially achieve the contract requirements. Submit a complete list of all additional subcontractors

I request a partial waiver and will meet the following MBE/WBE participation goals:

- Partial waiver of MBE/WBE subcontract participation::
  - _____% Minority/Women Prime
  - _____% for certified MBE-owned businesses and/or
  - _____% for certified WBE-owned businesses.

Or

3  [ ] After having made a good faith effort to achieve the MBE/WBE requirements for this contract, the Prime is unable to achieve the requirements and/or sub requirements for this contract. I submit the MBE/WBE Participation Form D and Form E, along with this Affidavit, which details the steps the Prime has taken in an attempt to achieve the contract requirements. Therefore, I request a full waiver.

IF YOU HAVE CHECKED BOX 2 OR 3, THE FOLLOWING IS APPLICABLE:

1) If a bidder is unable to comply with the goals established in a bid for a project, the bidder may submit a request for a waiver at the time of bid submission. However, occasions for granting waivers will be limited.
2) The request for waiver shall include documentation that demonstrates the bidder’s good faith efforts to comply with the goals, including:

(I) Signed unavailability statements from all MBEs and WBEs that the bidder solicited for participation; and

(II) Copies of solicitation documentation to include the scope of services to be performed by the subcontractors accompanied with the following:

(a) Emails, letters, facsimile transmittals and confirmations containing plans, specifications, and anticipated time schedule for portions of the work to be performed and meeting notes and agendas clearly identifying the certified MBE or WBE classification and dates that the bidder contacted each; and

(b) Telephone logs containing names, addresses, dates, telephone numbers, work to be performed, anticipated time schedule and classification of certified MBEs and WBEs contacted.

(c) Responses from MBE/WBE firms contacted to fulfill the goal.

As I have checked Box 2 or 3 of this Affidavit, I understand I must submit the following supporting documentation with the bid:

I acknowledge that the MBE/WBE subcontractors/suppliers listed on the *Subcontractor Participation Schedule (Form B)* will be used to accomplish the percentage of MBE/WBE participation that the Prime shall achieve. A fully executed Form C must match Form B.

In the solicitation of subcontract quotations or offers, MBE/WBE subcontractors were provided the same information and amount of time to respond, as were non-MBE/WBE subcontractors.

The solicitation process was conducted in such a manner so as to not place MBE/WBE subcontractors at a competitive disadvantage to non-MBE/WBE subcontractors.

I solemnly affirm under the penalties of perjury that this Affidavit is true to the best of my knowledge, information, and belief.

Subject: Compliance Reporting - Penalties

Baltimore County, Maryland (the "County") requires all Prime Contractors and all Subcontractors to submit monthly reports through an online MBE/WBE Compliance Portal (PRISM). The Portal can be found under Compliance Reporting for Primes and Subcontractors at www.baltimorecountymd.gov/go/mwbe.

The County has found that a number of companies are failing to file reports in a timely manner, which makes it difficult for the County to verify compliance. As a result, the County has determined to assess penalties for non-compliance, effective September 1, 2018, as follows:

(a) For failure to file timely monthly reports:
   a. Assessment of a late fee of $10 per day per task, up to a maximum of $1,500 per task; and/or
   b. For multiple violations, termination of the contract for convenience or for default, with the contractor suspended from participating in County contracts for five (5) years.

(b) For failure to meet MBE/WBE requirements:
   a. Assessment of a penalty of up to 10% of the contract value; and/or
   b. Termination of the contract for convenience, with the contractor suspended from participating in County contracts for five (5) years together with assessment of a penalty of up to 10% of the contract value; and/or
   c. Termination of the contract for default together with assessment of a penalty of 10% of the contract value.

Each action and/or remedy described above is at the sole discretion of the County, and is in addition to any damages which the County may be entitled to under the contract.

This short video can be used as guidance on submitting the Prime to Subcontractor Payment Reporting:
http://stage.prismcompliance.com/etc/movies/vendor_contractpayment_tutorial.htm
If after contract expiration, it has been determined the MBE/WBE firms named were not used or were under used, by the contractor and supporting documentation was not provided and approved by the County the contractor may be assessed a penalty of up to 10% of the contract value and/or suspended from participating in County contracts for 5 years.

Questions regarding this correspondence and/or the use of this system can be directed to the MBE Office at mwbe@baltimorecountymd.gov or call (410) 887-3407.
