General Instructions for Solicitations

1. Instructions, Forms and Specifications

1.1 All bids/proposals are to be submitted on and in accordance with the forms provided by the Purchasing Division. All bids must be submitted in a sealed envelope/carton or electronically as specified in the General Conditions. All bids must be clearly identified with the SOLICITATION NUMBER and the DUE DATE and TIME for mailed and/or hand-delivered submittals and SOLICITATION NUMBER for electronic submittals. Bid times are either Eastern Standard Time or Eastern Daylight Time, whichever prevails. Late bids will not be considered.

1.2 Responses to Requests for Bids and Requests for Proposals shall be accompanied by an executed Procurement Affidavit, as provided by the Purchasing Division. This does not apply to Requests for Quotations.

1.3 Amendments to solicitations often occur prior to bid opening and sometimes within hours prior to bid opening. All bidders are responsible for frequently visiting the Purchasing website to obtain amendments once they have downloaded a solicitation.

1.4 Additional information or clarification of any of the instructions or information contained herein may be obtained from the Purchasing Division. The County assumes no responsibility for oral instructions or suggestions. All official correspondence in regard to this solicitation must be directed to, and will be issued by, the Purchasing Division.

1.5 Bidders finding any discrepancy in or omission from the specifications, in doubt as to meaning, or asserting that the specifications are discriminatory, shall notify the Purchasing Division in writing at once, but in no case later than five (5) business days prior to the scheduled opening of bids. Exceptions stated do not obligate the County to change the specifications. The Purchasing Division will notify all bidders in writing, by amendment duly issued, of any substantive revisions to specifications or instructions.

1.6 Unless a written exception detailing non-conformance to specifications is noted on the bid, any part number, product number, catalog number, etc., noted on the bid will be considered in full compliance with the specifications.

1.7 Submission of a bid in response to this solicitation evidences the bidder's acceptance of these General Instructions and the terms and conditions of the solicitation. Submission of a bid evidences bidder's representation and warranty that the person submitting the bid response is authorized to act for and bind the contractor.

1.8 All original and duplicate bids/proposals and other attachments, related documents and correspondence, including all follow-up documents and correspondence, shall be typed or written in English. All prices/percentages and/or other monetary figures shall be in United States dollars.

1.9 Requests for Bids and Requests for Proposals should be accompanied by an electronic version (Compact Disc) of the bid proposal in PDF format. It shall be the bidder's responsibility to verify that the electronic version is complete. The electronic version of the non-successful proposal response will be the only version retained by Baltimore County. The Compact Disc must be labeled with the bid number, the bid title, and the bidder's name submitting the response. All bids must be submitted in a sealed envelope or carton as appropriate. This does not apply to Requests for Quotations.

1.10 Issuing Officer: The sole point of contact for the County for purposes of this solicitation is the Buyer, listed on the cover page; questions regarding any aspect of the competitive process must be directed to the Buyer, in writing.

2. Award of Solicitations

2.1 Any award pursuant to Requests for Quotation and Requests for Bid is made to the lowest responsive and responsible bidder following the public opening of bids under Section 10-2-406 of the Baltimore County Code, 2003, as amended.

2.2 Awards on Requests for Quotations and Requests for Bid will be made within sixty (60) days after bid opening unless otherwise indicated in this solicitation. No bidder will be allowed to withdraw a bid during that period.

2.3 The successful bidder may be required to give security or bond, as stated in the bid document, for performance of the contract.

2.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

2.5 Cash discounts will be considered in determining awards. However, cash discount offers must allow not less than 30 days to be considered in bid evaluation. A bid offering a cash discount in a period of less than 30 days will be evaluated as a bid without a discount offer; however, should that bidder obtain award by consideration of the gross price, the County shall
make every effort to obtain the discount. The County will not accept any payment terms with a period of less than 30 days.

2.6 Invoices against resulting order(s) must be submitted, in duplicate, to the Office of Budget and Finance, Disbursements Section, 400 Washington Avenue, Room 148, Towson, Maryland 21204-4665. Invoices must show the vendor’s Federal Tax Identification Number or Social Security Number, as appropriate, and order number and line number(s) that correspond with resulting order(s).

2.7 The County will not pay interest charges or other penalties for invoice payments.

2.8 Prices quoted shall be exclusive of all non-applicable Federal and Maryland State taxes. Tax exemption certificate will be furnished if required.

2.9 The County reserves the right to consider making payments via electronic funds transfers (EFT) on contracts for which this payment vehicle may be appropriate.

3. Reservations

3.1 The County reserves the right to reject, in whole or in part, any and all bids received, and to make a whole award, multiple awards, a partial award, or no award, to best serve the public interest.

3.2 The County may waive formalities in bids as the interests of the County may require.

3.3 The County reserves the right to increase or decrease quantities by approximately twenty (20) percent to be purchased at the prices bid.

3.4 The County reserves the right to award solicitations or place orders on a lump sum or individual item basis, or in such combination as to best serve the public interest.

3.5 The County may waive minor differences, irregularities, and technicalities in the specifications, provided they neither violate the specifications intent, materially affect the operation for which the items or services are being purchased, nor increase estimated maintenance and repair costs to the County.

3.6 At any time during normal business hours and as often as the County may deem necessary, the Contractor shall make available to and permit inspection and photocopying, by the County, its employees or agents, of all records, information and documentation of the Contractor related to the subject matter of this contract, including, but not limited to, all contracts, invoices, payroll, and financial audits.

3.7 Notwithstanding any other terms or provisions of the contract, in the event the County is temporarily or permanently prevented, restricted or delayed in the performance of any or all of the duties and obligations imposed upon or assumed by it thereunder, by act of the General Assembly of Maryland or the Baltimore County Council, by a court of competent jurisdiction or by administrative delay not due to the fault of the County (and its members and agents) shall not be liable directly or indirectly for any claims caused to or suffered by the Contractor or any other person in connection with or as a result of such prevention, restriction or delay.

3.8 The County further reserves the right to make such investigation as it deems necessary to determine the ability of bidders to furnish the required services, and bidders shall furnish all such information for this purpose as the County may request. The County also reserves the right to reject the proposal of any bidder who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a manner acceptable to the County, all of which shall be in the County’s sole discretion.

4. Delivery

4.1 Bidders shall guarantee delivery of materials in accordance with the delivery schedule stated in specifications. All items shall be delivered F.O.B. Destination/Inside Delivery, unless otherwise indicated, with delivery costs and charges included in the bid price.

4.2 The County reserves the right to charge the Contractor or vendor for each day the materials, supplies, or services are not delivered in accordance with the delivery schedule. The sum established by the specifications may be invoked at the discretion of the Purchasing Agent, said sum to be considered not as a penalty, but as liquidated damages, and deducted from final payment, or otherwise, charged to the Contractor or vendor. This remedy is not exclusive but shall be in addition to all other rights and remedies available to the County. These liquidated damages shall be in addition to any and all actual damages incurred directly or indirectly by the County, its agents, assigns, and contractors.

4.3 All bidders and vendors are to ensure that packaging materials used for this requirement are not made of non-recyclable Styrofoam (Polystyrene). Additionally, any materials used in packing to cushion, protect and ship are to be made of recycled, recyclable or biodegradable materials.
5. **Competition**

5.1 The name of any manufacturer, trade name, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quality and type, and for no other purpose unless otherwise stated in the solicitation.

5.2 A bidder may offer a price on only one unit per line item. Even though two or more units may meet the specification, bidders must determine for themselves which to offer. Submission by a bidder of prices for more than one unit shall be sufficient cause for rejection of the bid for that specific item.

5.3 Bids which show omission, irregularity, alteration of forms or additions not called for, as well as conditional or unconditional unresponsive bids, or bids obviously unbalanced, may be rejected.

5.4 All bids must be accompanied by such descriptive literature as may be called for by the specifications or proposal.

5.5 If products to be provided to the County contain any substances that could be hazardous or injurious to a person's health, a material safety data sheet (MSDS) must be provided to the Purchasing Division. This applies also to any product used by a Contractor when providing a service to the County.

5.6 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

5.7 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

6. **Terminations**

6.1 Termination for Convenience: The County may terminate a contract, in whole or in part, without cause, by providing written notice thereof to the Contractor. In the event of termination, without cause, the County shall advise the Contractor in writing of the termination date and of work to be performed during the final days prior to contract termination. The Contractor shall be paid for all reasonable costs incurred by the Contractor up to the date of termination set forth in the written notice of termination. The Contractor will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination. Payments to be provided on a lump sum basis shall be prorated by the County based on the services rendered or goods delivered up to the date of termination set forth in the written notice.

6.2 Termination for Default:

6.2.1 In addition to other available rights and remedies, the County shall have the right upon the happening of any default, without providing notice to the Contractor: 1) To terminate a contract immediately, in whole or in part; 2) To suspend the contractor's authority to receive any undisbursed funds; and/or 3) To proceed at any time or from time to time to protect and enforce all rights and remedies available to the County, by suit or any other appropriate proceedings, whether for specific performance or any covenant, term or condition set forth in the contract, or for damages or other relief, or proceed to take any action authorized or permitted under applicable law or regulations.

6.2.2 Upon termination of a contract for default, the County may elect to pay the Contractor for services provided or goods delivered up to the date of termination, less the amount of damages caused by the default, all as determined by the County in its sole discretion. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder.

6.3 Funding Out: If funds are not appropriated or otherwise made available to support contract continuation in any fiscal year, the County shall have the right to terminate the contract without prior notice to the Contractor and without any obligation or penalty.

7. **Hold Harmless – Indemnification**

7.1 The Contractor shall defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney's fees and court costs which may be incurred or made against the County, its employees, agents or officials resulting from any act or omission committed in the performance of the duties imposed by and performed under the terms of the contract. The Contractor shall not be responsible for acts of gross negligence or willful misconduct committed by the County.

7.2 The Contractor shall also defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney’s fees and court costs which may be made against the County, its
employees, agents or officials by any third party arising from the alleged violation of any third party’s trade secrets, proprietary information, trademark, copyright, patent rights, or intellectual property rights in connection with the contract.

7.3 Unless notified in writing by the County to the contrary, the Contractor shall provide defense for the County, its employees, agents and officials in accordance with this Article and in doing so the Contractor shall allow the County to participate in said defense of the County, its employees, agents and officials, to the extent and as may be required by the County and the Contractor shall cooperate with the County in all aspects in connection therewith. All filings, actions, settlements, and pleadings shall be provided to the County for comment and review prior to filing or entering thereof. No filing, action, settlement or pleading shall be filed or entered without the prior consent and approval of the County.

8. Minority/Women’s Business Enterprise (MBE/WBE) and Small Business Notice: Baltimore County is seeking Minority, Woman and Small Businesses to bid on current solicitations as a prime or subcontractor. In accordance with the Executive Order 2017-003 dated July 27, 2017, “an overall goal of 15% of the cumulative total of all discretionary dollars spent in a fiscal year of County procurements is to be awarded to and/or performed by MBE and WBE firms.” Refer to the section entitled Minority Business Enterprise and Women Business Enterprise Requirements (MBE/WBE) for the current required goal. MBE/WBE’s and Small Businesses are encouraged to respond to this solicitation.

9. Authority

9.1 In case of disputes as to whether an item or service quoted or delivered meets specifications, the decision of the Purchasing Agent or authorized representative shall be final and binding on both parties. The Purchasing Agent may request the recommendation in writing of the head of the using agency, the Standards and Specifications Committee, or other objective sources.

9.2 Bidders desiring to appeal a decision of the Purchasing Division must deliver written protests to the Purchasing Division within 10 days of notification of award. The Purchasing Agent or designee will review the protested decision, examine any additional information provided by the bidder and respond in writing within 10 working days of receipt of written protests.

9.3 Instructions, Specifications, and Proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the provisions of the Baltimore County Charter, and Article 10, Title 2 of the Baltimore County Code, 2003, as amended, and regulations and policies established or prescribed by the Purchasing Division.

12. Terms of Contract

12.1 Any contract awarded pursuant to this solicitation shall be by and between the successful bidder and the County, and shall contain and incorporate, but may not be limited to, all terms and conditions of the solicitation, any amendments or changes thereto. Submission of a bid in response to this solicitation evidences the Contractor’s acceptance of the terms and conditions therein.

12.2 The provisions of the contract awarded pursuant to this solicitation shall be governed by the laws and regulations of Maryland and Baltimore County.

12.3 Any litigation arising out of or relating in any way to the contract or the performance thereunder shall be brought only in the courts of Maryland, and the Contractor hereby irrevocably consents to such jurisdiction. To the extent that the County is a party to any litigation arising out of or relating in any way to the contract or the performance thereunder, such an action shall be brought only in a court of competent jurisdiction in the courts of the State of Maryland.

13. Severability: If any provisions in the contract are declared by a court or other lawful authority to be unenforceable or invalid for any reason the remaining provisions hereof shall not be affected thereby and shall remain enforceable to the full extent permitted by law.

14. Counterparts: The contract may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument.

15. Survival: The provisions of paragraphs 1.7 (Representations and Warranties), 4.2 (Damages), 7 (Indemnification), and 10 (HIPAA) shall survive delivery of commodities and/or performance of services.
16. No Waiver, Etc.: No failure or delay by the County to insist upon the strict performance of any term, condition or covenant of the contract, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the County from exercising any such right, power, or remedy at any later time or times.

17. Maryland Registration / Qualification Requirements:

17.1 Baltimore County verifies the company’s status with SDAT and may require the successful bidder to submit a Good Standing Certificate (also known as a “Certificate of Status”) issued by the Maryland Department of Assessment and Taxation’s (“SDAT”) Charter Division, and the State of Organization.

17.2 For information on registering to do business in the State of Maryland or to download SDAT related forms visit the Maryland Department of State Department of Assessments & Taxation at http://www.dat.state.maryland.gov/businesses/Pages/default.aspx. If you need additional assistance call (410) 767-1184.

17.3 Baltimore County requires the successful bidder to be in “good standing” (also known as Certificate of Status) with the State in which it is organized, and in the State of Maryland, under certain circumstances. Baltimore County verifies the successful bidder’s status with SDAT. Non-compliance to this section may result in a delay in contract award or rejection of a bid.

18. Eligibility of Candidates for Employment:

18.1 The E-Verify program is an internet-based employment verification system that allows employers to verify employee status against Federal Social Security and immigration databases.

18.2 Baltimore County encourages employers to utilize the E-verify program, or an equivalent system, as a means to help employers determine the eligibility of new hires.

19. Warranty:

19.1. Contractor warrants for one year from acceptance, or for such longer period otherwise expressly stated in the attached solicitation, all goods, services, and construction provided. This includes a warranty against any and all defects. The contractor must correct any and all defects in material and/or workmanship that may appear during the warranty period, even if discovered after the end of the warranty period, by repairing any such defect, (or replacing with new items or new materials, if necessary), at no cost to the County and to the County’s satisfaction.

19.2. Should a manufacturer’s or service provider’s warranty exceed the requirements stated above, that warranty will be the primary one used in the case of defect. Copies of manufacturer's or service provider's warranties must be provided upon request.

19.3. All warranties must be in effect from the date of acceptance by the County of the goods, services, or construction.

19.4. The contractor warrants that all work shall be accomplished in a workmanlike manner, and the contractor must observe and comply with all Federal, State, County and local laws, ordinances and regulations in providing the goods, and performing the services or construction.

20. American Manufactured Goods Required for Public Works:

20.1 The Contractor shall comply with Section 14-416 of the Maryland State Finance and Procurement Article which requires a contractor or subcontractor to use or supply American Manufactured goods in the performance of a contract for (a) constructing or maintaining a public work; or (b) buying or manufacturing machinery or equipment that is to be installed at a public work site, as the same may be amended from time to time.

20.2 This section does not apply: (a) if Baltimore County determines that: (i) the price of the American manufactured goods exceeds the price of a similar manufactured good that is not manufactured in the United States by an unreasonable amount; (ii) the item or a similar item is not manufactured or available for purchase in the United States in reasonably available quantities; (iii) the quality of the item or a similar item manufactured in the United States is substantially less than the quality of a comparably priced, similar, and available item that is not manufactured in the United States; or (iv) the procurement of a manufactured good would be inconsistent with the public interest; or (b) to emergency life safety and property safety goods.

20.3 The Contractor shall certify to Baltimore County whether the offered goods and/or services are provided in the United States.

21. Requests for Proposals: In addition to aforementioned instructions, the following apply to Requests for Proposals (RFP).
21.1 All RFP proposals submitted shall be valid for 180 days following the closing date noted, unless otherwise specified in the bid documents. This period may be extended by mutual written agreement between offerors and the County. Proposals may not be withdrawn during this period.

21.2 Modifications: The County may, at any time by written order, make changes within the general scope of a contract including, but not limited to, changes (1) in any designs or specifications; (2) in the method, quantity, or manner of performance of the work; (3) in any County-furnished facilities, equipment, materials, services, or property; or (4) directing acceleration in the performance of the work. No change, modification or revision shall be binding upon the County, unless made in writing by its authorized representatives.

21.3 Subcontracting and Assignment: All subcontracting arrangements require prior approval of the County. The Contractor shall not assign, transfer, convey, delegate, subcontract, or otherwise dispose of any award of any or all of its rights, title, or interest therein, without the prior written consent of the County, which shall not be unreasonably withheld.

21.4 Additional Reservations for RFP’s

21.4.1 This RFP creates no obligation on the part of the County to compensate offerors for proposal preparation expenses. The County reserves the right to award a contract based upon proposals received without further negotiation and may do so; offerors should not rely upon the opportunity to alter their proposals during discussions.

21.4.2 The County reserves the right to waive minor irregularities, to negotiate in any manner necessary to best serve the public interest, and to make a whole award, multiple awards, a partial award, or no award. The County reserves the right to cancel this RFP, in whole or in part, any time before the closing date.

21.5 Confidentiality: Offerors must specifically identify any portions of their proposals deemed to contain confidential information, proprietary information or trade secrets. Those portions must be readily separable from the balance of the proposal. Such designations will not be conclusive, and offerors may be required to justify why such material should not, upon written request, be disclosed by the County under the Public Information Act, General Provisions Article, Title 4, of the Annotated Code of Maryland, as amended. The County may disclose such information if required by law, court order or subpoena.

First Source Hiring Agreement Overview

What is First Source Hiring?

Baltimore County’s First Source Hiring Agreement requires that developers, contractors, and employers utilize good faith efforts toward employing economically disadvantaged Baltimore County residents in newly created positions on applicable projects. These efforts are supported by Baltimore County’s workforce development system, a partnered network of business and economic development professionals, education and training providers, and human service agencies working together systematically to provide a ready supply of qualified workers to employers with hiring needs. The intent of First Source is to connect these individuals with new jobs that are generated by the County’s investment in contracts or public works; or by business activity that requires approval by the County’s Department of Economic and Workforce Development.

The goals of the First Source Hiring Agreement are to:

- Increase awareness of the resources, services and potential benefits available to help Baltimore County employers meet their workforce needs; and,
- Give economically disadvantaged individuals the first opportunity to apply for new jobs in Baltimore County.

Which businesses can participate in First Source Hiring?

1. Businesses who have leases with the County or on County property; or,
2. Businesses with County contracts for goods, services, and grants in excess of $100,000 which are projected to create new jobs/positions to fulfill contract terms

How can first source help your business?

Baltimore County Department of Economic & Workforce Development’s (DEWD’s) Business Services Team can help coordinate recruitment services with our workforce partners in collaboration with our three Baltimore County Career Center locations to assist with finding pre-screened, qualified candidates. Available services may include but are not limited to:

- Posting and promotion of employment opportunities through our network of service providers
- Access to diverse talent pools from within Baltimore County’s workforce system
- Access to Baltimore County Career Centers for coordinated recruitment/interviewing activities
- Referral of pre-screened, qualified candidates for employer consideration
- Assistance with using the Maryland Workforce Exchange - a statewide job database and candidate matching platform
- Information on earning tax credits and other employer benefits for new hires (if applicable)
- Workforce and Business Services staff to assist you throughout your recruitment efforts
I’d like to participate in First Source Hiring…Where do I start?

**Step #1:** Register your business with the [Maryland Workforce Exchange](https://www.mwe.org). This is an online database to track First Source Hiring job opportunities. As an employer, the Maryland Workforce Exchange can help you promote job openings, search for qualified candidates and share placement information.

**Step #2:** Businesses or non-profits who receive a non-construction or professional services contract from Baltimore County over $100,000 are required to project the number of job openings they expect during the contract period. After registering your business with [Maryland Workforce Exchange](https://www.mwe.org), complete the [First Source Hiring Description Form](https://www.mwe.org) and email it to the Baltimore County Department of Economic and Workforce Development (DEWD) at [firstsourcehire@baltimorecountymd.gov](mailto:firstsourcehire@baltimorecountymd.gov). If you have any questions about registering with MWE or completing the form, contact our office at 410-887-8000.

**Step #3:** Once you are registered in MWE and Baltimore County receives your First Source Hiring Description Form via email, you will be contacted by a member of the Business Development Team to assist with recruitment for your open positions.

**Helpful Tips:**
Businesses that qualify are asked to post their openings with Baltimore County’s First Source Hiring network of service providers, and offer the County the first opportunity to refer qualified candidates to those positions. While the agreement does not require an employer to hire a specific candidate, it does ask that employers make a good faith effort to hire referrals from the County's workforce development system. We ask that employers would report basic information for any new hires by entering the placement data in the Maryland Workforce Exchange, or by completing an Employment Verification and Employer Survey Form (see FORM 2 attached) or via email at the completion of your recruitment activities.

1. **BACKGROUND.**

   1.1 Baltimore County has the second highest number of deaths related to opioid use in Maryland, second only to Baltimore City. In 2017, there were 1,985 overdose deaths involving opioids in Maryland, a rate of 32.2 deaths per 100,000 persons, which is twofold greater than the national rate of 14.6 deaths per 100,000 persons according to the National Institute on Drug Abuse (NIDA). In 2017, the Maryland Department of Health (MDH) recorded 323 opioid related deaths in Baltimore County.

   1.2 To address the increasing number of opioid overdose deaths, Baltimore County has implemented several initiatives to increase the availability of buprenorphine to Baltimore County residents with an opioid use disorder. Feedback from prescribers revealed that there is an interest in increasing prescribing to waiver limits, but additional support for clients is needed to adequately serve, which exceeds their capacity to provide and results in limited numbers that can be served.

   1.3 Medication Assisted Treatment (MAT) is an evidence based strategy and pharmacological treatment for opioid use disorder. There are currently three Federal Drug Administration (FDA) approved medications to treat opioid use disorder. Methadone was approved by the FDA for use in MAT in 1972, followed by Buprenorphine in 2002. According to the Center for Disease Control and Prevention (CDC), National Center for Injury Prevention and Control, MAT works best with ancillary treatment strategies like counseling and social support with fixed, safe and predictable doses of medications.

   1.4 The Substance Abuse and Mental Health Services Administration (SAMHSA) states a peer provider (e.g. certified peer specialist, peer support specialist, recovery coach) is a person who uses his or her lived experience of recovery from mental illness and/or addiction, plus skills learned in formal training, to deliver services in behavioral health settings to promote mind-body recovery and resiliency. The Maryland Department of Health, Behavioral Health Administration has supported the use of Certified Peer Recovery Specialists (CPRS) to provide social support services for patients who have an opioid use disorder (Attachment B - Sample Job Description).

   1.5 Baltimore County has secured funding from the Maryland Department of Health, Behavioral Health Administration for Certified Peer Recovery Specialists (CPRS) to provide social support services to a practice(s), treatment programs, and other community treatment providers to increase the number of public behavioral health patients who can access Buprenorphine.

2. **SCOPE OF SERVICES.**

   2.1 Baltimore County seeks Vendor(s) who currently provide medication assisted treatment (MAT), including buprenorphine and who have the interest and ability to increase the number of public behavioral health patients receiving buprenorphine as well as Vendor(s) who want to begin to provide buprenorphine in their practice. Vendors must be licensed by appropriate accrediting and licensing bodies.

   2.1.1 Vendors may include federally qualified health centers (FQHC), private practices, and other MAT community treatment providers providing services to patients in the public behavioral health system.
2.1.2 The Maryland Department of Health, Behavioral Health Administration’s Office of Consumer Affairs defines the role of CPRS as:

Mentor
Confidant
Advocate
Resource Broker
Truth teller
Problem solver
Role model
Friend/ally

2.1.3 Vendors must be physically located in Baltimore County, preferably in areas with high incidence of opioid use.

2.1.4 CPRS must be certified by the Maryland Addiction and Behavioral Health Professionals Certification Board (MABPCB).

2.1.5 The selected Vendor(s) must provide for supervision for the CPRS by a Registered Peer Supervisor who is credentialed through the MABPCB.

2.1.6 Vendor(s) may not bill the public behavioral health system for any services covered under this grant.

2.2 Notification Procedures

2.2.1 Critical incidents: Vendor must notify the Baltimore County Bureau of Behavioral Health (BBH)/Local Behavioral Health Authority (LBHA) within twenty-four (24) hours of any critical incident and must document the incident in the written monthly summary.

2.2.2 Death of a consumer: Vendor is required to report the death of an individual who was receiving or has received mental health services from a program as detailed in the Health – General Article, §10-714, Annotated Code of Maryland. The vendor must notify the BBH/LBHA within twenty-four (24) hours of the death of a consumer residing in the program. A Maryland Department of Health (MDH) form 4364 must be completed following the instructions on the form and forwarded to the BBH/LBHA within five (5) working days from the date of the death.
