CONSULTING SERVICES, BICYCLE AND PEDESTRIAN MASTER PLAN**

AMENDMENT NO. 1

The following information is offered, as the result of correspondence received through October 8, 2020.

- 1. Question:** Is this “to provide a guidance document” (as stated in 2.2) to develop a unified bicycle and pedestrian master plan or is the final deliverable the actual Master Plan with all the tasks listed be completed and included in the Master Plan?

Answer: Unified Bicycle Pedestrian Master Plan is the Final Deliverable
- 2. Question:** Are items 2.2.1 through 2.2.3 to be field verified or is this a GIS desktop research exercise? Is this for all County roads only or major/minor or local roads and alleys?

Answer: Yes, they are to be field verified.
- 3. Question:** How many community workshops are anticipated under 2.4?

Answer: Four at the minimum and seven at maximum
- 4.** All other terms and conditions remain the same.
